Integrity Statement

The College Counseling Team, as members of NACAC and International ACAC, firmly believe in the authenticity of our students' applications. TASIS England promotes personal integrity and moral development in an environment of trust and support. We are proud of each student's journey and their efforts in the originality of written pieces and a genuine application.

Our students are set a maximum of ten applications to ensure a careful selection of final university applications and well-researched potential destinations.
