4th and 5th Grade Christmas Program

It's already that time of year! It's time to make sure the 4th and 5th Grade Christmas program is on your schedule for **Dec. 12th, at 1:30 p.m.** in the High School Auditorium. The doors to the auditorium will open at **1:00 p.m.**

All 4th and 5th grade classes will be performing in the program, along with the 4th and 5th grade choir, and the 5th grade band. If we have inclement weather, then **Monday, Dec. 15th** will be our back up performance day. Everything will proceed the same way, just on Monday instead. Students may dress in holiday colors for the performance, such as red or green. We look forward to a wonderful performance day!

Miss Freeman

Elementary Music Teacher

If you are planning on attending the performance, please read the important information below:

Please park in the lot on the south side of the building and enter/exit through door S12. Upon entering the building, **audience members need to receive an EVENT GUEST badge.** The restrooms are located in the hall across from the North auditorium doors. If you must leave please try to do so between performances. Because this is an event during the school day, guests are required to stay in this area and to exit the building through the doors which they entered. **Students will not be allowed to go home with their parents immediately after the performance.** In the event of an emergency, additional announcements will be made for the safety of everyone.

eLearning and School Closure Readiness Guide

When weather conditions or other unforeseen circumstances impact the school day, here's what families can expect regarding closures and future plans with eLearning.

- iPads and chargers will go home daily with elementary students from December 1, 2025, through March 20, 2026. If there is a cancellation, a Synchronous (live on-line instruction) eLearning day will be used.
- In the event inclement weather is forecasted prior to December 1, 2025 or after March 20, 2026, **devices will be sent home with students and a Synchronous eLearning day will be implemented if a cancellation is necessary.**
- If devices **were not** sent home before a cancellation, a Synchronous (live on-line instruction) eLearning day **will not** be used. In that case, an Asynchronous (assignments and class information posted to Canvas) eLearning day will be implemented, or a make-up day will be scheduled.
