Old Agenda Items:

- Evaluation and Feedback on Current Educational Model
- Teacher and Staffing Updates for 2021-2022 school year
- Plan for $40,000 roll over funds

New Agenda Items:

- District Grading Reform
    - Minimum grade of F, summative assessments, and determining mastering of standards. Teachers will receive training in the summer/fall along with the principals. Gehring has been doing these practices for a while at the school and will continue to do without big changes.
- Summer School
    - Roughly 170 kids have signed up for summer school and staffing has been filled. Teachers have submitted plans and projects for the summer as well. Students will do a combination of small group, interventions, and utilize online programs such as dreambox and exact path. A lot of the procedures that Gehring utilizes now will remain the same.
- Plans for Next School Year

    - Mrs. Y attended a principals meeting for the year. Survey was sent to the parents to see who was interested in distance learning for next school year. Roughly 40 kids from Gehring want to participate in distance learning. Mrs. Y will go to a training in the future to learn what the distance education model will look like for next year.
    - Staffing is almost full and student seats have been claimed with a waitlist for any seats that may open.
    - Staff and parent hand books have been updated for next school year. Most information is the same with the exception of the drop-off and pick-up procedures.
    - Meet and greet will be virtual as well until we know what the guidelines for the 2021-22 school year will be. Campus will remain closed with the exception of students and staff until new guidelines have been received.
- Replacement Members for next meeting in August
    - Two parents will be leaving the SOT board and new parents will be needed to fill slots. Jaime will help facilitate and coordinate with the PTA to get the word out.

General Discussion:

- For now, masking and 3 foot social distancing will not be changing for this current school year and summer school.
- For next meeting, include updates to calendar and COVID guidelines.
