

TUSKER TRACKS

A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Friday, Somers! As we prepare to recognize Veteran's Day on Tuesday, I wanted to pause for a moment to thank and honor all those who have served in the United States Armed Forces. To our veterans in the Somers community and beyond — we are deeply grateful for your service.

Tusker Pride

Wishing the best of luck to our Varsity Tuskers competing this weekend in their respective playoff match-ups!

This afternoon, Varsity Boys Volleyball will meet Croton in the Section 1 quarterfinal.

Tonight, the Varsity Football team faces Harrison for the second time this season, this time for a shot at the Class A final.

Tomorrow, the Varsity Cross Country team will participate in the Section 1 championship!

Go Tuskers!

Around the District

The Primrose Post Office is officially open for business! To prepare last week, Primrose hosted "Wee Deliver Post Office" interviews! 2nd Grade students learned about a number of postal jobs and how to complete important tasks like addressing a letter. During the interviews, they were asked about their organizational skills and the ways they help out at home.

Each student was selected for a job, and following the opening ceremony on Monday, the first 2-week shift began, during which time students will serve in their designated roles. Throughout the year, each 2nd grade student will have the opportunity to work a shift and gain hands on experience within the post office!

Tusker Tidbits

On Wednesday, SHS College and Career Center Counselor Michelle Tracy and the College and Career Club hosted the first Business Career Panel of the year, featuring local professionals from fields like finance and supply chain management. Students got an inside look at each of their career journeys, daily responsibilities, and educational paths — plus valuable advice for those interested in similar careers. Stay tuned for more panels throughout the year, which will highlight different careers and pathways beyond Somers High School!

'Tails' of Triumph

This week, SIS 5th graders explored the culture and traditions of the Nez Perce Native American Tribe. As part of their class curriculum, students attended an engaging assembly with JR Spencer, a Nez Perce storyteller, flute player, and native crafter. JR shared meaningful stories that have been passed down through generations, offering students a deeper understanding of the tribe's history and heritage.

The Week Ahead

- 11/7 - Varsity Football Game (SHS)
- 11/10 - Winter Sports Registration Deadline
- 11/11 - Veterans Day, School Closed
- 11/12 - SHS Underclass/Staff Photo Retake Day
- 11/12 - Meet the Coaches Night (Winter Season)
- 11/14-11/15 - Almost, Maine (Fall Drama Production)
