Shakopee Public Schools mission states that we will, in partnership with our community, educate lifelong learners to succeed in our diverse world.

We believe that strong family-school connections enhance student learning, promote positive attitudes towards school, and contribute to an inclusive educational environment. Our goal is to build strong partnerships with our parents/families that strengthen student achievement. This plan outlines our commitment to meaningful family engagement practices that empower families as partners and that will support effective parent and family engagement throughout the school year..
