

Ashe County Schools Honors November Employees of the Month

Ashe County Schools is proud to recognize two exceptional team members for November’s Employee of the Month honors — **Mr. Aaron Butt**, Assistant Principal at Ashe County Middle School, and **Mrs. Tonya Greer**, Accounting Specialist at Central Support Services.

Chosen by their peers, both these employees exemplify the spirit of dedication, teamwork, and positivity that make Ashe County Schools such a special place to learn and work. Their colleagues’ words capture perfectly why these two stand out among our incredible staff:

Aaron Butt — Assistant Principal, Ashe County Middle School

“Since joining our school community, Aaron has exemplified what it means to be a true leader and teammate. He has quickly built positive and trusting relationships with students, staff, and families. His approachable nature and consistent positivity create an uplifting atmosphere wherever he goes. Aaron is a true partner in leadership—someone who brings thoughtful ideas, innovative solutions, and unwavering support to every conversation. He has seamlessly connected with the front office team, helping foster a spirit of collaboration and respect throughout the building. In a short time, Aaron has made a lasting impact. His professionalism, enthusiasm, and heart for people make him a stellar choice for Employee of the Month.”

“Mr. Butt has truly made lunch supervision a fun and engaging experience for the students. He’s often seen walking around the cafeteria with his signature bag of Doritos in hand, while keeping a watchful eye monitoring the students in a way that makes them feel seen and appreciated. They love to see who will be the first to offer him a cheese stick each day! This connection is not just with students—teachers also feel heard and appreciated. He has made a big difference in the ACMS environment. This is why I am nominating him for Employee of the Month!”

“Mr. Butt has been a breath of fresh air here at ACMS. He jumped right in and quickly became one of us. He isn’t afraid to ask questions to get the correct information needed for students or staff. He does anything and everything without hesitation. His calm and enthusiastic demeanor makes him a great candidate for Employee of the Month.”

Tonya Greer — Accounting Specialist, Central Support Services

“No matter what, she is there at work and doing her job to the best of her ability. She goes to work no matter if it is snowing or a hurricane, she is there.”

“Tonya will always go the extra mile to help any of our Ashe County employees, and she does it with a beautiful smile.”

“Tonya goes above and beyond every day. She’s constantly doing things behind the scenes that most people never even realize—but they make a huge difference. She’s always the first to step up and help wherever she’s needed, no questions asked, no complaints, just action. Her work ethic is incredible, and when something needs to get done, Tonya is the one who makes it happen!”
