Non-Public Title I Information

What is Title I?

It is a Federal program that provides funding for supplemental academic support and learning opportunities for children farthest from meeting challenging state standards.

As the largest federal program supporting elementary education, Title I is designed to:

1. Help children learn better in school.
2. Help teachers better understand the needs of students.
3. Help parents become more involved with their children's education.
4. Help schools purchase the training supplies and equipment to reach their academic goals.

How Does My State And School District Receive Title I Funds?

Title I funds flow to states and school districts on a formula basis. The formula takes into account the number of low-income children and the statewide average per-pupil expenditures. Resources within the state are targeted to the districts and schools with the greatest needs.

Who is Served?

Title I funds are used for intervention programs to serve any child with academic needs including English Language Learners, Migrant Children, and Homeless Children.

What Does Title I Funding Provide For Non-Public Schools?

The Hanover Area Non-Public Consortium provides the non-public schools with resources to help meet the high standards in reading:

- Direct services through certified reading teachers.
- Professional development for classroom teachers in literacy skills, writing skills, phonics, and fluency. Supplemental Materials.
- Collection and monitoring data for school improvement.
- Workshops for parents on reading strategies.

Hanover Area Non-Public Title I Consortium

(Non-Public School Members)

- St. Teresa Of Calcutta

Principal's Notes

What a fabulous year! There is so much to be proud of at the middle school. Students surpassed growth expectations and displayed what it means to be an Eagle at BSMS.

STEAM Golfing Adventures

This year, 8th graders in Mr. Gosnell's STEAM class were tasked with designing miniature golf holes. They followed the design engineering process in order to develop a course for our kindergarten friends to experiment on. What a great way to collaborate with our K friends!

PBIS Update

Our PBIS framework was extremely successful this year. Our goal was to surpass last year's total of recognized positive behaviors and we almost doubled it as the students and staff were able to recognize 12,986 positive behaviors in our students. That is

not only a testament to our staff but to the amazing students we have here at BSMS.

Students were able to enjoy several different rewards and incentives throughout the year. Some of the highlights include our school wide assembly where students played a real life game of Hungry-Hungry Hippos as well as an assembly where students got a chance to play Minute to Win It games. Students enjoyed weekly incentives such as sitting with friends outside or in the loft for lunch, sitting in a comfy chair for the day and, of course, our ping pong tables.

Hungry- Hungry Hippos Game

The PBIS team initiated a check-in, checkout intervention for some of our students who need extra support and it proved beneficial as we saw many positive behaviors as a result.

Our PBIS team will meet over the summer to design our beginning of the year PBIS lessons, plan activities for next year, begin designing some cool new swag students can earn, and refining our data process and Tier 2 interventions.. We look forward to continuing along our PBIS journey and welcome any support from families. Have a great summer.

8th Grade Celebration

On May 29th, we treated our 8th Graders to an end-of-the-year event. Students were treated to inflatables, games, and treats at the send off event. We couldn't be more proud of this class and all that they accomplished during their tenure at the middle school. Best of luck at the high school!

The hamster wheel snow cone machine was a hit!

Principal's Notes

The 2024/2025 school year at Bermudian Springs Elementary School marked a remarkable journey of growth, community, and character as we embraced and celebrated School Wide Positive Behavioral Interventions and Supports (PBIS). With an incredible 102,054 SOAR tickets distributed, students consistently demonstrated behaviors that exemplified our core values—staying Safe, showing Ownership, Always responsible, and demonstrating Respect.

This year, we proudly recognized 99 students with the Golden Eagle Award, honoring those who went above and beyond in modeling outstanding behavior and leadership. In addition, 275 students were celebrated for embodying our monthly character traits: safety, ownership, empathy,

perseverance, kindness, respect, integrity, confidence, and friendship. These recognitions not only highlight individual student achievements, but also reflect a collective commitment to building a positive and supportive school culture.

Together, staff, students, and families created a school environment where positive behavior was encouraged, acknowledged, and celebrated. As we close the year, we are grateful for the efforts of everyone involved and look forward to continuing this momentum into the next school year.

The 2024/2025 school year was truly a Year of Growth. As a school community, we embraced a season of transformation—welcoming new teachers, adapting to new Building and District leadership, and responding to the ever-evolving needs of our students. With change came opportunity, and our

staff and students rose to the challenge with resilience, openness, and a shared commitment to learning and growing together. Throughout the year, we focused on nurturing strong relationships, building inclusive classroom environments, and supporting the whole child. Our dedication to student success remained at the heart of all we did, and our growth was not just measured in academic gains, but in the connections we built, the flexibility we showed, and the character we cultivated across our school.

As we reflect on the progress made, we are proud of how far we have come and inspired by the potential ahead. Bermudian Springs Elementary enters the future stronger, united, and ready to continue growing—together. Get ready for the Year of Unity coming for the 2025/2026 school year!

District General Fund Budget for the Fiscal Year 2025-2026

The final 2025-2026 General Fund Budget reflects a 3.60% tax increase. The millage rate for the 2025-2026 school year will be 13.7800.

The Act 1 Index is used to determine the maximum tax increase for each tax the school district levies (without PDE exception or voter approval), and the school board had previously voted not to raise taxes beyond the maximum adjusted index of 5.4% for the 2025-2026 school year. After reviewing multiple budget proposals, the school board of directors decided to utilize the following option, which includes the following components:

Expenditures in the amount of \$38,713,503 and revenue in the amount of \$37,255,862 to include the following:

- Federal Revenue - \$440,057
- Local Revenue - \$21,186,908
- State Revenue - \$15,628,897
- Other Sources - \$0

Levy of the following taxes to realize the figures above for local revenue:

- Act 511 Earned Income Tax - 1.2%
- Real Estate - 13.7800 mills
- Act 679 Per Capita - \$5.00
- Act 511 Real Estate Transfer - 0.5%
- Act 511 Amusement - 5.0%
- Act 511 Per Capita - \$5.00

The school board of directors also adopted a resolution implementing the Homestead and Farmstead exclusion for 2025-2026 in accordance with Act 1 of Special Session 2006. This provides state property tax reduction use for Homestead Exclusions districtwide.
