Professional Development: *What we do when students aren't here.*

AI is growing, but what does that mean for educators? Thomas Johnston taught other educators how to use AI productively in the classroom. Professional development is a time for just this, sharing best practices.

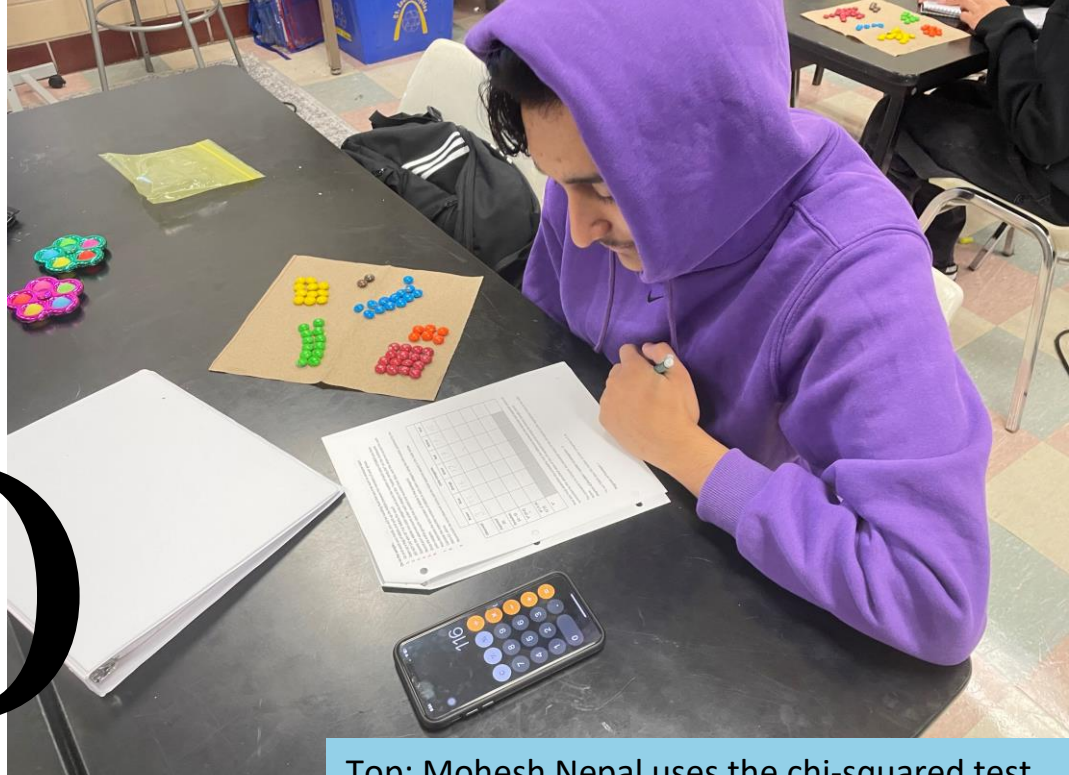

Bottom: Dan McVey, Felicia Hampton, and Jacob Dulle attended Thomas Johnston's professional B on Friday.

Photos by Colette Morton

Nikki DuBois instructs Emily Welch, Nathaniel Lischwe, and others about the complexities of teaching students with autism.

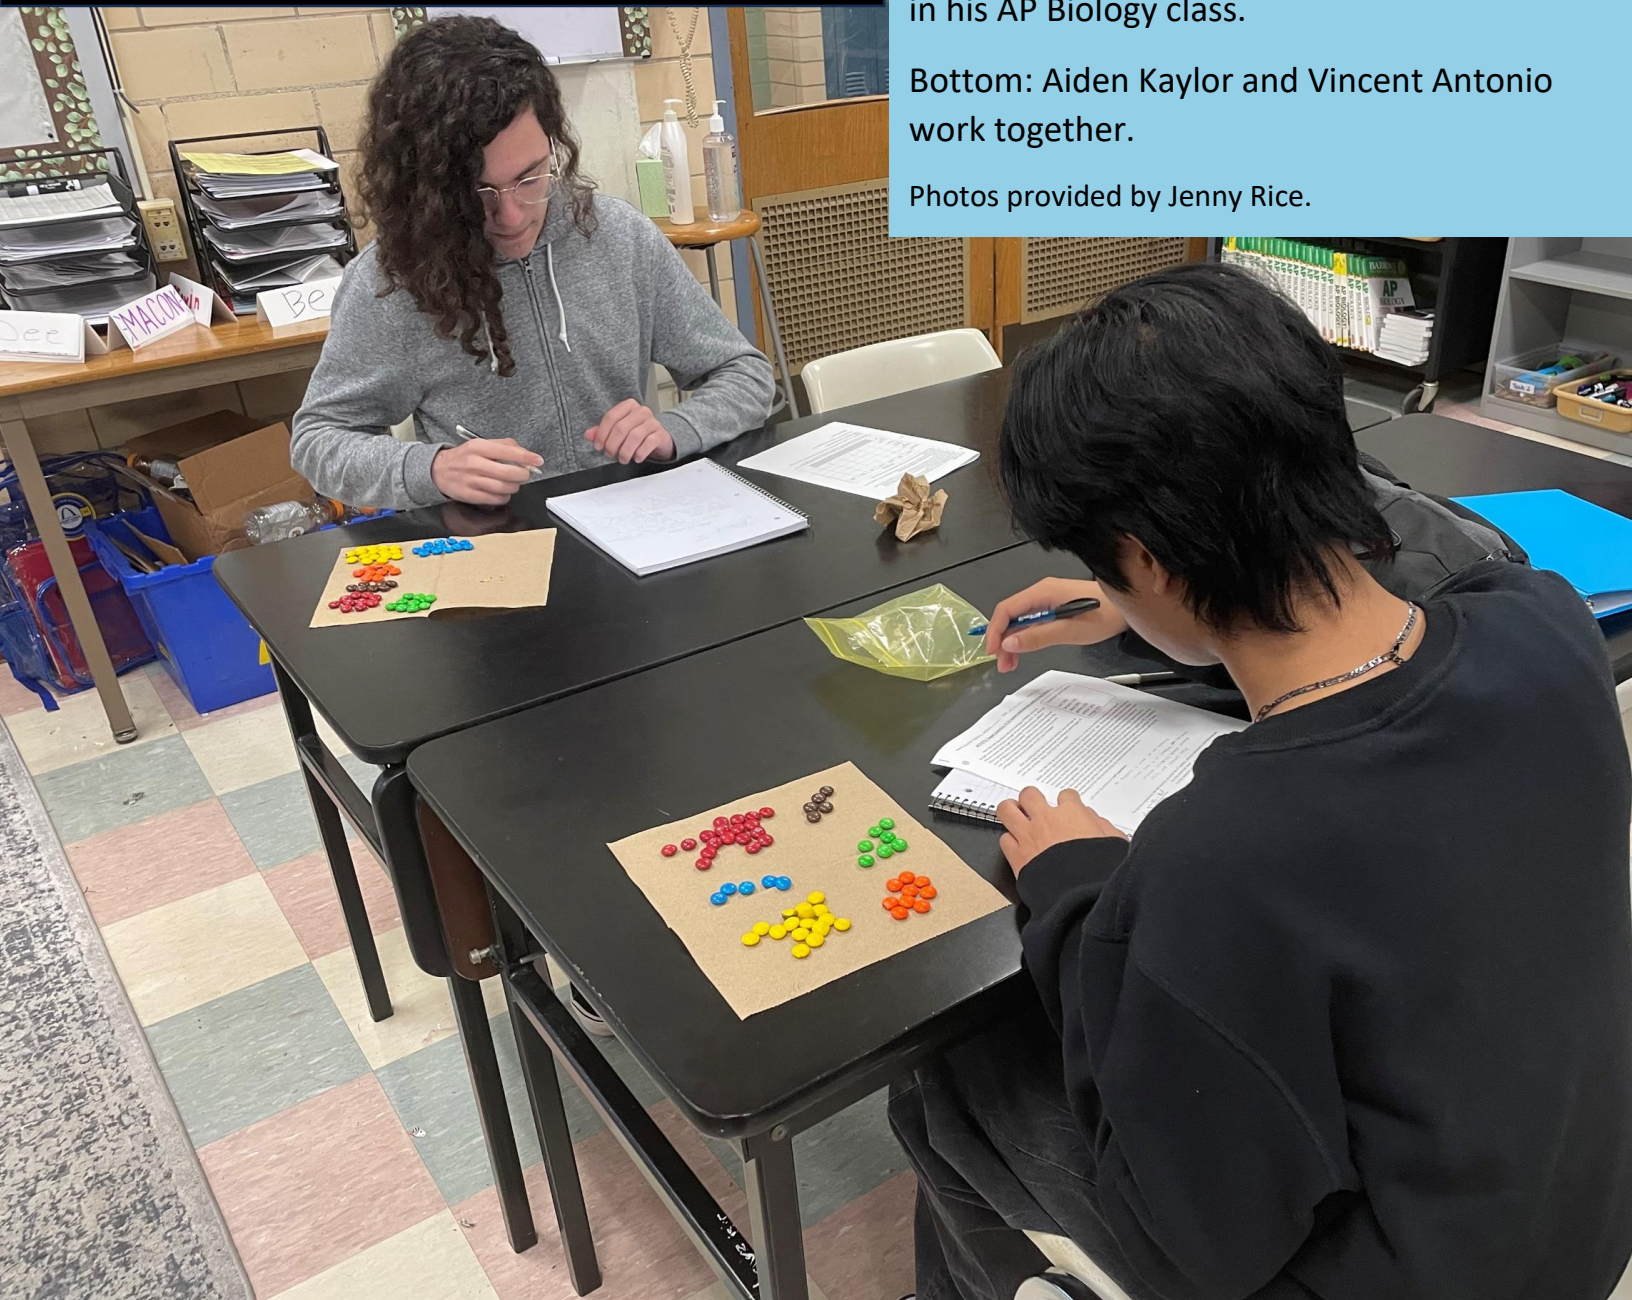

AP BIO

Top: Mohesh Nepal uses the chi-squared test in his AP Biology class.

Bottom: Aiden Kaylor and Vincent Antonio work together.
