

Dear Travelers,

You recently received a schedule of events from Go Next for our Principia Lifelong Learning group aboard the Oceania Regatta Ship.

Many of you have signed up for John's recommended excursions, and we will enjoy those times together. The events on the Go Next schedule provide additional opportunities for us to gather on the ship.

Our optional church services are a cherished PLL tradition. You may notice these are not all scheduled on Sunday and Wednesday. This is to accommodate docking/excursion schedules and room availability.

You will receive an email from Go Next about specialty restaurant reservations. The timing of that email is based on the category of your cabin reservation.

You can view the restaurants for our Regatta ship [here](#).

Every restaurant on board is complimentary, and most do not require a reservation. You do not need a reservation to dine at the Grand Dining Room, Terrace Cafe, Waves Grill, Afternoon Tea, and Baristas.

The only specialty restaurants requiring a reservation are: Toscana (Authentic Italian) and Polo Grill (Classic Steakhouse). You will be able to make 1-2 reservations at each specialty restaurant depending on your cabin category.

If you'd like to make reservations in advance, we encourage you to make those outside of our scheduled group events listed below.
