- Tomorrow we celebrate Veterans Day, but please remember that it is not just a day off of school. Veterans Day is a U.S. federal holiday on November 11 that honors all military veterans who have served in the U.S. Armed Forces. The day is dedicated to honoring all those who have served in the military, both in wartime and peacetime.
- Next week is Week of Giving and we will have fun dress up days and many community service opportunities throughout the week. In this season of giving let's come together to help those in need while thanking those that give to us. More information coming soon on the Daily Announcements, our instagram page and your Grade Level Google Classroom pages.

- All month we will be having a canned food drive for Monterey County Food Bank. This year our community is in need of lots of nonperishable food! This will be a contest between the 4th period classes and offices on campus with the class or office bringing in the most NON PERISHABLE food items receiving a party!! Let's all work together to help our community. ASB students will come by your classroom or office every Friday during November to collect your food items and count up how many you have brought. Thank you in advance for your support in this always important community service event!!
