

NTI Day 1 - Resource Math Make a number line that shows the integers 0 to 20. Plot the following points on your number line: 0 2 4 12 15 17	NTI Day 6 - Resource Math Show 1 less than, 1 more than, 10 less than, and 10 more than for the following integers: 3 6 9
NTI Day 2 - Resource Math Make a number line that shows the integers -20 to 0. Plot the following points on your number line: -6 -4 -2	NTI Day 7 - Resource Math Show 1 less than, 1 more than, 10 less than, and 10 more than for the following integers: -6 -4 -2
NTI Day 3 - Resource Math Make a number line that shows the integers -20 to 20. Plot the following points on your number line: -9 -6 0 3 7	NTI Day 8 - Resource Math Show 1 less than, 1 more than, 10 less than, and 10 more than for the following integers: -9 -6 0 3 7
NTI Day 4 - Resource Math Make a number line that shows the integers -30 to 30 Plot the following points on your number line: -25 -20 -15 -10 0 5 10	NTI Day 9 - Resource Math Show 1 less than, 1 more than, 10 less than, and 10 more than for the following integers: -20 -15 -10 0 5 10 16
NTI Day 5 - Resource Math Make a number line that shows the integers -50 to 50 Plot the following points on your number line: -48 -42 -36 0 6 12 18 24	NTI Day 10 - Resource Math Show 1 less than, 1 more than, 10 less than, and 10 more than for the following integers: -36 0 6 12 18
