Your Pathway

In order to achieve

OUR VISION

Our **purpose** is to ensure that when students leave Lewiston-Porter they will be ready to face the world with confidence in themselves and what they can contribute.

While students are here they will be challenged to grow along their **pathway** and discover their personal best because we **promise** to give them our best.

TOGETHER WE WILL...

Support each learner in defining success in their own way.

We will accomplish this by supporting student individual pathways and empowering students to advocate for their own learning.
