

# Title I at CASD

## What is Title I funding and where is it used in CASD?

Title I funding is used to support increased academic achievement and the best possible educational opportunities for all students in Title I buildings.

We currently serve all thirteen of our elementary schools with Title I funding.

## What do we use our Title I funding for at CASD?

Title I funding is used primarily on staffing the Intervention Department. There are 23 Intervention specialists in CASD.

In addition to the Intervention Specialists, Title I is also used to fund five support staff.

Title I funding is also used to fund events and provide resources to engage our families in ways to support learning in the home.
