How will CTA members be notified if they're enrolled?

Members enrolled in coverage will receive an email from The Standard indicating which coverage(s) they're enrolled in, their insurance effective date, premium amounts and important documents they should retain for their records. If no email was provided at the time of applying, The Standard will send this information via U.S. Mail to the address provided.

What information will your school district receive about CTA members who've applied for coverage?

Your district will receive a Premium Change Notification (PCN) via email and via USPS from The Standard indicating the coverage(s) the member is enrolled in, the coverage effective date and the premium amount to deduct from their paycheck.

When should CTA members discontinue their insurance coverage with another carrier?

Members should not terminate coverage with another insurance carrier until they've received notification from The Standard stating they have been enrolled. This ensures there are no gaps in their coverage.
