

Opportunity for Willis ISD Teachers and Counselors

We can obtain a 4.9% fixed 30 year interest rate or lower, for new construction home purchases, along with down payment assistance that can allow for 0% down. We also have access to various programs designed to help teachers buy their first home or even a second property as an investment.

Thank you for your time.

I look forward to the opportunity to support our Willis ISD teachers and counselors – our valued neighbors and Heroes.
