Overview of School Action

Merging Stephanie Tubbs Jones with FDR will benefit both schools through a higher-quality student experience, including additional courses beyond art, music, and PE – along with expanded sports

Stephanie Tubbs Jones

- Stephanie Tubbs Jones's enrollment is unsustainably low and declining, limiting the school's ability to offer a robust student experience
- There are available seats in the region that are in good condition buildings and will allow for a higher-quality student experience
- Specifically, students will have a reserved seat at FDR, a school with a higher star rating (2.5 stars compared to Stephanie Tubbs Jones's 2 stars) housed in a larger building with investments in progress
- This building was renamed in 2022 through a thoughtful, community-informed process, and the name Stephanie Tubbs Jones will endure as the new name for the current FDR building

Franklin D. Roosevelt (FDR)

- FDR is in a large building with investments in progress and a need for greater enrollment to sustainably offer more opportunities for students
- FDR will continue to serve students in its current location, welcoming students from Stephanie Tubbs Jones and will be renamed Stephanie Tubbs Jones
