

Saint Louis Public Schools
Missouri Seal of Biliteracy
Assessment Options for Languages other than English

STEP 1:

Use the following website to check if STAMP 4S is available for your language other than English: [STAMP 4S](#)

- If your language other than English is available, you should mark “I would like to schedule a test” on your Seal of Biliteracy application and list the language. You will take the assessment in all 4 domains: listening, speaking, reading, and writing.
- If your language other than English is not available, go to STEP 2.

STEP 2:

Use the following website to check if STAMP WS is available for your language other than English: [STAMP WS](#)

- If your language other than English is available, you should mark “I would like to schedule a test” and “I am submitting Language Portfolio” on your Seal of Biliteracy application and list the language. You will take the assessment in 2 domains: writing and speaking and you will need to complete Language Portfolio for 2 domains: listening and reading.
- If your language other than English is not available, go to STEP 3.

STEP 3:

- You should mark “Language Portfolio” on your Seal of Biliteracy application and list the language. You will need to complete Language Portfolio for 4 domains: listening, speaking, reading, and writing.
