

Wichita Falls Independent School District

Zundy Elementary

2025-2026 Campus Improvement Plan

Mission Statement

The mission of Zundy is to foster academic excellence in a safe and caring environment through a partnership of family, staff, and community.

Vision

We, Zundy Eagles, will create an equitable environment by building a strong academic, social, and emotional foundation that will prepare all students for a successful future.

Comprehensive Needs Assessment

Revised/Approved: August 20, 2025

Demographics

Demographics Summary

Currently Zundy has 514 students enrolled in K-5. 43.4% are Bilingual/EL and 23.9% are Special Education students.

90.9% of the population are economically disadvantaged.

Hispanic 72.4%

White 14.6%

African American 7.6%

Asian .8%

Two or More races 4.5%

1 teacher retired from Zundy in 24-25. 2 teachers transferred to other schools. 2 more teachers resigned. To date there is still 1 vacancy.

Demographics Strengths

Attendance rate is consistently at 93%. 100% of the population participates in STAAR assessment in grades 3-5.

61% of Bilingual/EL students scored Approaches or above grade level in all subjects on STAAR in 23-24 school year.

52% of Hispanic students scored Approaches or above grade level in all subjects on STAAR in 23-24.

12% of African American scored Approaches or above grade level in all subjects on STAAR in 23-24.

45% of White students scored Approaches or above grade level in all subjects on STAAR in 23-24.

49% of Two or more races scored Approaches or above grade level in all subjects on STAAR in 23-24.

48% of ALL students scored Approaches or above grade level in all subjects on STAAR in 23-24

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): The amount of students that are not able to read or write, especially in 4th and 5th grade, leads to teachers trying to fill the gaps when they are already too far behind.

Root Cause: Early intervention such as tutoring needs to be addressed quickly in the school year to keep students from falling behind.

Problem Statement 2 (Prioritized): Finding and retaining good quality teachers is a challenge.

Root Cause: There are limited to no applicants for teaching. Those that apply are not trained. They also choose schools with different socio economic populations and different areas of town.

Problem Statement 3 (Prioritized): Attendance, tardies and truancy rates are increasing.

Root Cause: Parents are not making school a priority.

Problem Statement 4: Inconsistent implementation of discipline plans

Root Cause: Calibration of discipline plans is needed in both K-2 and 3-5.

Problem Statement 5 (Prioritized): Teachers lack knowledge and awareness of special programs, especially special education

Root Cause: More training is needed in accommodations and differentiation.

Student Learning

Student Learning Summary

KG 14% (65%) of students met 46% of their MAP goal in Reading on EOY and 38% of students met 85% of their goal in MATH.

1st grade 55% (41%) of students met 132% of their MAP goal in Reading on EOY and 55% of students met 109% of their goal in MATH.

2nd grade 39% (44%) of students met 91% of their MAP goal in Reading on EOY and 56% of students met 163% of their goal in MATH

3rd grade 22% of students met 50% of their MAP goal in Reading on EOY and 30% of students met 55% of their goal in MATH

4th grade 58% of students met 122% of their MAP goal in Reading on EOY and 73% of students met 140% of their goal in MATH

5th grade 40% of students met 72% of their MAP goal in Reading on EOY and 35% of students met 79% of their goal in MATH

5th grade 61% of students met 125% of their MAP goal in Science

Student Learning Strengths

1st grade 55% (41%) of students met 132% of their MAP goal in Reading on EOY and 55% of students met 109% of their goal in MATH.

4th grade 58% of students met 122% of their MAP goal in Reading on EOY and 73% of students met 140% of their goal in MATH

Problem Statements Identifying Student Learning Needs

Problem Statement 1: The "right" interventions were not put in place until the end of the year when teachers and staff really began understanding the data.

Root Cause: Tutors need to start earlier on HB 1416 students so that they can become part of the intervention rotations in grades 3-5.

Problem Statement 2 (Prioritized): Discipline problems increased due to lack of instructional engagement.

Root Cause: Teachers need a bell to bell schedule that engages students all day.

Problem Statement 3 (Prioritized): The lack of community resources contributes to student achievement.

Root Cause: Community members need to be recruited to mentor students and support them academically.

School Processes & Programs

School Processes & Programs Summary

A mentoring program assists new teachers with the day to day routines of Zundy Elementary.

Amplify Curriculum is being implemented this school year. A new science curriculum is being implemented this school year. And we are looking forward to implementing Eureka Math next school year.

R9 and District Curriculum specialists will be working with teachers on internalization of lessons for Amplify. UFLI training will be provided for interventions.

School Processes & Programs Strengths

The new curriculum in Reading and Science will be a strength for our school. It will give teachers a much better direction for what to teach and how to teach it. R9 and Curriculum specialists will be working with Zundy's instructional coach to support teachers in learning the content and delivery of instruction. Technology is integrated throughout the content areas and Essentials teachers support content through fine arts and pe.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Systems need to be in place to support new and/or struggling teachers.

Root Cause: Mentor meetings should be for both mentors and mentees so that teachers can more closely follow their guidance.

Problem Statement 2 (Prioritized): The root cause of low performance at Zundy needs to be identified.

Root Cause: We have not had a consistent curriculum for the educational levels of our population to address the slow incremental progress made on student achievement.

Problem Statement 3 (Prioritized): Struggling and/or new teachers need opportunities to observe purposeful instruction.

Root Cause: Learning walks are not utilized for teachers as much as they are used by admin and central personnel.

Problem Statement 4 (Prioritized): Some teachers do not understand poverty, especially children in poverty.

Root Cause: Staff needs poverty training.

Problem Statement 5: Discipline continues to be a problem with disrespect and insubordination towards teachers.

Root Cause: Staff needs better training in classroom management.

Perceptions

Perceptions Summary

Teachers follow a staff social contract as norms for group meetings.

Culture/Climate Survey results: Family 3.4 / 4 ; Student 3.5 / 4 ; Teacher and staff 4.3 / 4.5 ; Teacher 3.7 / 4.1; Leader 4.8 / 4.5

Parent sign in sheets and evaluations are submitted on Title I Crate for Parent Engagement Activities.

Mentor and Read2Learn volunteer hours are tracked by coordinators.

Perceptions Strengths

Goal for CKH: Intentionally implement the CKH Process into the first days and weeks of school to start the school year strong.

Zundy is an inner city school with high poverty rate. Achievement is low but growth is positive. The culture of the school is welcoming to families and community.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: We need more mentors and readers for our students.

Root Cause: We need a stronger effort to recruit community volunteers.

Problem Statement 2: Parents do not always know how to help their children but they do want to help the school and the teachers. Non-traditional family structures impacts the development of school and home connections.

Root Cause: We need more opportunities to share student progress with parents so they can help with discipline and practicing skills at home.

Problem Statement 3: New teachers need clear expectations on routines and procedures to help with classroom management.

Root Cause: More intense training can be done at mentor meetings.

Problem Statement 4 (Prioritized): The lack of structure to understand what bullying is can be a common perception from parents and teachers.

Root Cause: Training for parents and teachers is needed to fully understand what constitutes bullying.

Priority Problem Statements

Problem Statement 1: The root cause of low performance at Zundy needs to be identified.

Root Cause 1: We have not had a consistent curriculum for the educational levels of our population to address the slow incremental progress made on student achievement.

Problem Statement 1 Areas: School Processes & Programs

Problem Statement 2: Some teachers do not understand poverty, especially children in poverty.

Root Cause 2: Staff needs poverty training.

Problem Statement 2 Areas: School Processes & Programs

Problem Statement 3: Struggling and/or new teachers need opportunities to observe purposeful instruction.

Root Cause 3: Learning walks are not utilized for teachers as much as they are used by admin and central personnel.

Problem Statement 3 Areas: School Processes & Programs

Problem Statement 4: Discipline problems increased due to lack of instructional engagement.

Root Cause 4: Teachers need a bell to bell schedule that engages students all day.

Problem Statement 4 Areas: Student Learning

Problem Statement 5: Attendance, tardies and truancy rates are increasing.

Root Cause 5: Parents are not making school a priority.

Problem Statement 5 Areas: Demographics

Problem Statement 6: Teachers lack knowledge and awareness of special programs, especially special education

Root Cause 6: More training is needed in accommodations and differentiation.

Problem Statement 6 Areas: Demographics

Problem Statement 7: Finding and retaining good quality teachers is a challenge.

Root Cause 7: There are limited to no applicants for teaching. Those that apply are not trained. They also choose schools with different socio economic populations and different areas of town.

Problem Statement 7 Areas: Demographics

Problem Statement 8: Systems need to be in place to support new and/or struggling teachers.

Root Cause 8: Mentor meetings should be for both mentors and mentees so that teachers can more closely follow their guidance.

Problem Statement 8 Areas: School Processes & Programs

Problem Statement 9: The amount of students that are not able to read or write, especially in 4th and 5th grade, leads to teachers trying to fill the gaps when they are already too far behind.

Root Cause 9: Early intervention such as tutoring needs to be addressed quickly in the school year to keep students from falling behind.

Problem Statement 9 Areas: Demographics

Problem Statement 10: The lack of community resources contributes to student achievement.

Root Cause 10: Community members need to be recruited to mentor students and support them academically.

Problem Statement 10 Areas: Student Learning

Problem Statement 11: The lack of structure to understand what bullying is can be a common perception from parents and teachers.

Root Cause 11: Training for parents and teachers is needed to fully understand what constitutes bullying.

Problem Statement 11 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- Student surveys and/or other feedback
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- T-TESS data
- T-PESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data

Goals

Revised/Approved: August 20, 2025

Goal 1: Recruit, retain, and support teachers and principals.

Performance Objective 1: The campus will increase teacher retention rate to 90.0% or higher compared to the prior year.

Evaluation Data Sources: TAPR, Fully staffed before July 2026

Strategy 1 Details	Reviews			
Strategy 1: The campus will provide new staff with opportunities to attend New Teacher Training presented by campus leadership. Ongoing campus specific staff development and targeted, small group teacher training will be provided according to their needs as identified by campus leadership. Returning staff will continue to receive training in district initiatives. Strategy's Expected Result/Impact: Collaboration on best practice, district and campus policies & procedures, classroom management, curriculum, technology integration, staff involvement, etc., that results in highly effective teaching practices and involvement at the campus and district levels. Staff Responsible for Monitoring: campus leadership team Problem Statements: Demographics 5 - School Processes & Programs 1, 3, 4	Formative			Summative
	Nov	Feb	May	June
Strategy 2 Details	Reviews			
Strategy 2: A teacher mentor will be assigned to each new teacher on campus. Monthly meetings will be used to meet the needs of the new teachers at Zundy. Sign in Sheets, Agendas, Mentor surveys, New teacher Surveys will be used to monitor success. Strategy's Expected Result/Impact: Campus Routines and Procedures are a lot to learn in a short period of time for new teachers on campus. Partnering with a campus veteran will help facilitate the success of each new classroom teacher with Campus and District requirements. Learn "The Eagle Way". Staff Responsible for Monitoring: campus leadership team, mentors assigned Problem Statements: School Processes & Programs 1	Formative			Summative
	Nov	Feb	May	June

Strategy 3 Details	Reviews			
Strategy 3: Professional Development will be provided for all staff to support academic achievement for all students. Training includes, but is not limited to Capturing Kids' Hearts, T-TESS, Seidlitz, NASOT, Special Programs, Amplify Reading and Bluebonnet Math. Select teachers may have opportunity to travel to teacher conferences to increase their teaching capacity and turn training around for the rest of the staff. Strategy's Expected Result/Impact: Teachers need opportunities for professional growth. Needs will be identified through a tier system for support. Staff Responsible for Monitoring: Principal, Instructional Coaches, Teachers Problem Statements: Demographics 5 - School Processes & Programs 3	Formative			Summative
	Nov	Feb	May	June
Strategy 4 Details	Reviews			
Strategy 4: *The campus will meet all guidelines regarding the Highly Qualified status requirements for teachers and paraprofessionals. If needed, the campus will provide notification to parents if staff does not meet Highly Qualified status. Any non-qualified staff member will follow a district developed certification plan. Strategy's Expected Result/Impact: Seek out and recruit the best teachers we can find to improve our student achievement. Staff Responsible for Monitoring: Admin, HR Problem Statements: Demographics 2	Formative			Summative

Strategy 5 Details	Reviews			
Strategy 5: Students who are assigned to a DAEP/County Juvenile Detention Center placement will be provided work from the campus and/or will participate in an online alternative curriculum. The DAEP, County Detention and campus staff will communicate regularly to insure that students needs are met. Student progress while assigned to the DAEP and County Detention will be monitored. Students at County Detention will be administered a pre and post test before transitioning back to the home campus. Strategy's Expected Result/Impact: Smooth transitions between facilities and school. Staff Responsible for Monitoring: At Risk Coordinator, Admin, Counselor Problem Statements: Demographics 3 - Student Learning 2	Formative			Summative
	Nov	Feb	May	June
 No Progress  Accomplished  Continue/Modify  Discontinue				

Performance Objective 3 Problem Statements:

Demographics
Problem Statement 3: Attendance, tardies and truancy rates are increasing. Root Cause: Parents are not making school a priority.
Student Learning
Problem Statement 2: Discipline problems increased due to lack of instructional engagement. Root Cause: Teachers need a bell to bell schedule that engages students all day. Problem Statement 3: The lack of community resources contributes to student achievement. Root Cause: Community members need to be recruited to mentor students and support them academically.
School Processes & Programs
Problem Statement 4: Some teachers do not understand poverty, especially children in poverty. Root Cause: Staff needs poverty training.

Perceptions

Problem Statement 4: The lack of structure to understand what bullying is can be a common perception from parents and teachers. **Root Cause:** Training for parents and teachers is needed to fully understand what constitutes bullying.

Goal 3: Connect high school to career and college.

Performance Objective 4: Increase the number of parents that nominate their students and apply for TAG in K-2 and 3-5 by 10% during the January 2025 enrollment nomination period.

HB3 Goal

Evaluation Data Sources: number of students nominated for TAG in the spring.

Strategy 1 Details	Reviews			
Strategy 1: Increase teacher awareness about the criteria used to identify and place a student in TAG at all levels K-5. Strategy's Expected Result/Impact: If students qualify for TAG, they have opportunity for enriched learning that will enhance their thinking to support and progress their student achievement. Staff Responsible for Monitoring: Admin, Counselor Problem Statements: Demographics 5	Formative			Summative
	Nov	Feb	May	June
No Progress Accomplished Continue/Modify Discontinue				

Performance Objective 4 Problem Statements:

Demographics
Problem Statement 5: Teachers lack knowledge and awareness of special programs, especially special education Root Cause: More training is needed in accommodations and differentiation.

Goal 4: Improve low performing schools.

Performance Objective 1: Students scoring Meets Grade Level Standard or higher in Reading will increase to 65% by 2025

	Nov	Feb	May	June
Strategy 1: Zundy Leadership team will provide assist and feedback on delivery using the lessons planned by curriculum specialists for teachers in the curriculum map guides for Amplify Reading. Instructional coaching cycles will be used. Strategy's Expected Result/Impact: Teachers must internalize good TEK driven lesson plans to make sure they are optimizing the academic learning of each child and targeting the correct standards. District personnel will be providing guidance and feedback on lesson plans so that teachers can concentrate on deepening the instruction of each standard. Staff Responsible for Monitoring: Instructional Coach, Admin Problem Statements: Student Learning 2 - School Processes & Programs 1, 2, 3				
No Progress Accomplished Continue/Modify Discontinue				

Performance Objective 1 Problem Statements:

Student Learning
Problem Statement 2: Discipline problems increased due to lack of instructional engagement. Root Cause: Teachers need a bell to bell schedule that engages students all day.
School Processes & Programs
Problem Statement 1: Systems need to be in place to support new and/or struggling teachers. Root Cause: Mentor meetings should be for both mentors and mentees so that teachers can more closely follow their guidance. Problem Statement 2: The root cause of low performance at Zundy needs to be identified. Root Cause: We have not had a consistent curriculum for the educational levels of our population to address the slow incremental progress made on student achievement. Problem Statement 3: Struggling and/or new teachers need opportunities to observe purposeful instruction. Root Cause: Learning walks are not utilized for teachers as much as they are used by admin and central personnel.

Goal 4: Improve low performing schools.

Performance Objective 2: Students scoring Meets Grade Level Standard or higher in Math will increase from 30% in 2025 to 65% by 2026.

 No Progress  Accomplished  Continue/Modify  Discontinue				

Performance Objective 2 Problem Statements:

Demographics
Problem Statement 1: The amount of students that are not able to read or write, especially in 4th and 5th grade, leads to teachers trying to fill the gaps when they are already too far behind. Root Cause: Early intervention such as tutoring needs to be addressed quickly in the school year to keep students from falling behind.

School Processes & Programs

Problem Statement 1: Systems need to be in place to support new and/or struggling teachers. **Root Cause:** Mentor meetings should be for both mentors and mentees so that teachers can more closely follow their guidance.

Problem Statement 2: The root cause of low performance at Zundy needs to be identified. **Root Cause:** We have not had a consistent curriculum for the educational levels of our population to address the slow incremental progress made on student achievement.

Problem Statement 3: Struggling and/or new teachers need opportunities to observe purposeful instruction. **Root Cause:** Learning walks are not utilized for teachers as much as they are used by admin and central personnel.

Goal 4: Improve low performing schools.

Performance Objective 3: Provide monthly opportunities for parents to attend school events planned both for learning opportunities or for family engagement with faculty throughout the 2025-26 school year. Student performances will help increase attendance.

Evaluation Data Sources: Sign In Sheets, Agendas, Parent Evaluations.

Strategy 1 Details	Reviews			
Strategy 1: The SBDM will consult with parents to review, revise and implement an authentic parent involvement policy and parent school compact that will be published on the school website. Provide information on Background Check, volunteer opportunities, and family events. Strategy's Expected Result/Impact: Parent involvement enhances the learning environment of each student. Staff Responsible for Monitoring: At Risk Coordinator; Site Based Decision Making Team, Admin, Instructional Coach, Counselor and Faculty.	Formative			Summative
	Nov	Feb	May	June
Strategy 2 Details	Reviews			
Strategy 2: Educational Parent Involvement opportunities will be presented by faculty members to include reading, math, science and social emotional activities in which families can participate together. The Music teacher will work with different grade levels and school groups to provide entertainment. Strategy's Expected Result/Impact: When parents are given strategies to use at home they become more comfortable with the educational process. Staff Responsible for Monitoring: Admin, At Risk Coordinator, Counselor, Instructional Coach, Teachers, SBDM Problem Statements: Perceptions 4	Formative			Summative
