EB (ESL) - 10.8%

At-Risk- 58%

Mobility Rate-?

Male - 52%

Female - 47%

Class Size:

9th (Class of 2028) - 483

10th (Class of 2027) - 468

11th (Class of 2026) - 449

12th (Class of 2025) - 459

Demographics Strengths

Our greatest demographic strength lies in our highly diverse student population, which brings together individuals from a wide range of cultural, ethnic, linguistic, and socioeconomic backgrounds. This diversity fosters a rich learning environment where students are exposed to multiple perspectives, preparing them to thrive in a global society and contribute meaningfully to inclusive communities.

A key demographic strength of our staff is their experience and commitment to education—more than half of our teachers have over five years of teaching experience, bringing depth, stability, and expertise to the classroom. Additionally, our relatively small teacher-student ratio of 16:1 allows for more individualized instruction and stronger relationships between educators and students, supporting academic growth and personal development.

Problem Statements Identifying Demographics Needs

Problem Statement 1: We need to increase the ethnic diversity within the staff to match the diversity of the students.

Root Cause: Limited diversity in applicant pool.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): For the EOC, need continued growth in English I and English II at all levels - Approaches, Meets, Masters

Root Cause: Lack of basic academic knowledge and skills. Student apathy/lack of motivation.

Problem Statement 2 (Prioritized): For the EOC, need continued growth in Algebra I, Biology I, and USH at all levels to compete to state performance.

Root Cause: Poor study habits and lack of motivation.

Problem Statement 3 (Prioritized): For the EOC, we want to see more progress monitoring to increase student growth.

Root Cause: Training for teachers in progress monitoring.

Problem Statement 4: Overall student populations and sub groups are not meeting their Federal targets. (Specific percentages not performing on the meets or on-grade level)

Root Cause: Additional interventions specified to the needs of individual students. Need goal setting and progress monitoring.

Problem Statement 5 (Prioritized): For the EOC, overall, we need to raise SPED, Hispanic, and African American sub pop performance in all content areas.

Root Cause: Training in strategies to reach Special ed., Hispanic, and African American populations.

Problem Statement 6 (Prioritized): For AP/IB exams, we need to raise AP/IB scores for all AP/IB students on all 22 test by 10%.

Root Cause: Focus on skills and recruit more students for enrollment for AP/IB courses.
