- Students: Is your computer running slow? Does it just spin and load forever? Show your PLD some love. TIME TO CHARGE AND UPDATE YOUR PLD! Run updates on your PLD and the Chrome Browser ONCE a week and keep your PLD charged. If it doesn't have charge or is not updated regularly, it can't do its job! If you have any questions or need a reminder on how to run updates, please stop in the library. We are happy to help! The Library Staff AND your PLD thank you!
- Happy Wellness Wednesday! The theme for the month of November is gratitude. Studies have shown that expressing gratitude improves sleep. Please stop in the library to pick up a note to express gratitude to someone in your life.
