2.0 Old Items

2.1 Review of Last Month (Graduation, Athletics, Activities)

Review of better seating and parking at graduation. VV will have 500 additional chairs set up for graduation this year. What can be done for parking? It is terrible at events (and during the school day for students

3.0 New Items

3.1 Senior Parking

Presented ideas on how to minimize paint in the parking lot for senior parking (painting paws, maybe having signs). The idea of senior parking might be less important if there were more parking stalls available to the students to park during the school day. Students are arriving late and could it be because they have to walk from “mr. wright’s house” to arrive on time?

3.2 VV Parking

Review of Mr. Waite’s interactions with CCSD Transportation and their unwillingness to help or even discuss the need for parking during the Regional Track Meet and during the school day. Reviewed possible solutions to help VV students have better parking during the school day.

3.3 Summer School

VV is offering credit retrieval during Summer School. Counselors will meet with students. School runs from May 27 - June 13.

3.4 Summer Months

This summer, VV will host Summer School and sports teams. VV will also have both gyms’ floors redone.

3.5 2025-26 Staff

VV not expected to have to hire any new teachers this year.
