2025-2026 AP Letter for Parents/Guardians

We are pleased that your student has chosen to take an Advanced Placement (AP) course this year. You can find more information about AP classes at <https://apcentral.collegeboard.org/about-ap/ap-a-glance>. We want to assist you in planning for the AP exam, which will be administered in person here at VVHS via a digital or hybrid (digital & paper) test depending on the course.

Because CCSD will be picking up the cost for all exams (\$99 per exam) testing is mandatory. If your student does not take the exam for any reason a fee of \$50 will be your responsibility. Requests to add or cancel exams received after November 15th will also result in a \$50 late fee, per exam, meaning that if the student's schedule changes to add or drop an AP class after then, they will be charged.

The AP exam administration schedule is below. Exam dates are set nationally by College Board for May 4 -15, 2026 and cannot be changed. Students will not be required to attend regular classes on their testing days but must provide their own transportation to and from school (buses will run as normal).

Morning exams begin at 7:30 AM and afternoon exams begin at 11:30 AM, with exams lasting approximately 4 hours. Students may not be dismissed from an exam until all students have finished testing, per College Board regulations. **Please make every effort to schedule vacations, appointments, or other activities on dates that do not conflict with the test administration dates, as make-up testing is permitted for verified emergencies only.** Athletic playoff game conflicts are eligible for late testing.

Students are encouraged to contact their post-secondary institutions of interest to determine whether they [accept AP scores](#) for credit or course promotion.

Additional information for parents and students can be accessed through the [College Board's site](#). If you have any further questions about AP exams, please contact the AP Testing Coordinator, Angela Leavitt at leaviak@nv.ccsd.net.

AP Exam Schedule 2026

Tuesday, May 5	US Government & Politics	11:30 AM
Wednesday, May 6	English Literature and Composition	7:30 AM
