After a voice vote a division was called. The final voting results were 16 for and 2 against. The motion passed
 - v. Pictures of animals at selection
 - *We will take pictures of each exhibitor with their (hooved) animal at selection. A rule is not needed as this is a procedure
 - vi. Double tagging
 - *We will double tag all hooved animals. A rule is not needed as this is a procedure
 - vii. Animal selection/ process for drawing selection order

*There will be a designated draw date listed for hooved animals where exhibitors will appear, in person at the designated location, sign in on a sign in sheet to determine the order in which they will draw their selection number/ order, and draw their selection number/ order in the order that they signed in. If an exhibitor is not available, a parent/ guardian must be present and will draw after all exhibitors.

viii. Remove Showbooks

*The committee will no longer print and distribute showbooks, therefore all rules pertaining to showbooks will be removed.

ix. Exhibitors removing animals from post sale

*After some discussion, it was determined that the committee will observe this “trend” in the coming year(s) and possibly discuss a rule change regarding this topic in the future.

x. Move all weigh ins to check in.

*It was moved and seconded that all hooved animals be weighed in at check in. The motion passed

*It was moved and seconded that we sell 45% of each species in the live auction. The vote was 2 For and 14 Against; the motion failed.

xv. Exhibitors absent from sale meeting

*The rule currently states “...any qualified exhibitor or alternate who fails to be present within the show arena at roll call at the mandatory sale order meeting shall forfeit \$100 from his/her proceeds...”. The concern brought to the committee is how do we know if they want to claim their sale spot if they are not present.

*It was moved and seconded that if an exhibitor is not present at the mandatory sale order meeting they shall forfeit \$100 from his/ her proceeds, but must have a parent/ legal guardian present at the mandatory sale order meeting and must notify the chairperson of the exhibitor’s absence, in writing, prior to the mandatory sale order meeting.

b. Livestock Specific Rules

i. Wristbands for pig exhibitors

*Clarification is needed on the rule that “each exhibitor will be given two wristbands at the time of receiving their back tags....” Is it two wristbands per family or two wristbands per exhibitor?

*The clarification is that each exhibitor will receive two wristbands

ii. Sheep/ Goats - Clarification on oil

*Rule states “No paint, oil, adhesive or powder will be permitted on lambs at the time of show or live auction.”

*It was determined that conditioners are allowed and the rule will remain the same.
