

# Intent to Participate in Interscholastic Activities Home School Student

Dear Superintendent,

I am writing to notify you of the intent to participate in interscholastic activities by a home school student. I hereby attest that this student was a home school student for a full academic year prior to participation in the activity, and resides within the boundaries of the school for which the student will participate. I understand this student must meet all school district eligibility requirements with the exception of the school district's school or class attendance requirements, or the class and enrollment requirements of the associations administering the interscholastic activities.

We look forward to this involvement in our community. Please let us know if you need any additional information.
