-Dr. Rawlin, Yearbook Adviser

A poster for Northview High School Pathways Night. At the top, it says "THE NORTHVIEW EXPERIENCE: APPLY YOUR LEARNING. BUILD YOUR FUTURE." with a QR code. Below is a large graphic of a knight's helmet. The text "NORTHVIEW HIGH SCHOOL" is prominently displayed. A green banner across the middle says "CHOOSE THE VIEW" with a lightning bolt icon. The event details are "12th November 6:00-7:30pm" and "Where: Northview High School". At the bottom, it lists "3DE Magnet Program" and "14 Academic Pathways: Engineering, IT, Audio Visual Tech and Film, Public Health, Sports Medicine, Mental Health, Advanced Accounting, Business Accounting, Marketing and Management, most World Language offerings of any school in FC, Journalism, Visual Arts, Performing Arts, 31-33 AP Courses".

JOINS US FOR PATHWAYS NIGHT AT NORTHVIEW!

It may feel early to start thinking about course choices next year, but it is almost that time. Next Wednesday, November 12th we're hosting a pathways information night here at Northview from 6:00-7:30.

Please bring your family and come learn about all that Northview has to offer.

Are you starting to think about college and your possible future career?

Did you know we have 13 pathway choices and a 3DE magnet program? These pathways offer you an opportunity to apply your learning or to follow a more creative path to college—we have the performing arts, visual arts, health, engineering, IT, accounting, marketing, writing...you name it!

Mark your calendar for Wednesday, November 12th from 6:00-7:30. See you then!

Track and Field Interest Meeting

We will be having a Track and Field Interest Meeting on Friday, November 14th at 8:00am in the Northview Theatre. Please plan on attending to talk about the upcoming season.

Student Council is Hosting the Mimosa Elementary Santa Shop again this year. We are hoping to collect 1500 gifts for the parents in that community. Please check with the clubs you participate in to find out how you can help.

Club advisers, please encourage your group to contribute to this charity drive where the items collected go DIRECTLY to the families in the most needed in the Roswell Hispanic community. Thank you to HOSA and Spanish National Honor Society for again helping us this year. We could not do this event without you!

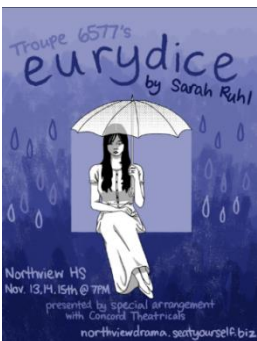

Interested in meeting with college representatives?

Stop by the Counseling Office and see Mrs. Woolstenhulme to sign up!

SmartPasses will be sent out the day of the visit so be sure to check for yours. All visits will take place in the Counseling Suite unless otherwise noted in your SmartPass.

Long Island University - Brooklyn	12-Nov-25	1:45pm
Georgia Southwestern State University	2-Dec-25	10:20am

TICKETS are now on sale for the fall full length play, *Eurydice*!

In this contemporary reimagining of the classic love story, Eurydice dies on her wedding day and reunites with her father in the Underworld before her husband risks everything to bring her back.

You don't want to miss this show. November 13, 14, and 15 at 7 pm in the Northview auditorium. <http://northviewdrama.seatyourself.biz>

It's time to register for the Fulton County Technology Competition!

Any students interested in competing must see Mr. Paul in the Media Center to register.

The registration deadline is Friday November 14.

Northview's fall blood drive will be Thursday, November 13 from 8:00-1:30 in the auxiliary gym. The Red Cross is currently experiencing an extreme shortage and needs donations.

Please consider signing up at www.tinyurl.com/NHSdrive25 if you are 16 years or older.

16 year olds will require a parental consent form - available for pick up in Ms. Evans room 509.

Please also visit the following link to check for height and weight requirements for donating: <https://www.redcrossblood.org/donate-blood/how-todonate/eligibility-requirements/eligibility-criteria-alphabetical.html>

French Honors Society is holding a book drive partnered with Books for Africa from now until November 21st.

This is a great opportunity to earn service hours while making a positive impact for the community.

Here are the list of requirements for the books:

Accepted:

- Less than 15 years old and in GOOD condition
- Textbooks, reference books, leisure reading
- Picture books and young children's books
- Non-instructional French books

Not Accepted:

- Spanish/other foreign language books/American History/Government/holidays/culture/self-help
- Academic journals, used encyclopedias, national geographic magazines.

All books can be dropped off in the front office or in Mr. Hunter's room, room 639.

Simons Summer Research Program

Interested in being nominated for the Simons Summer Research Program? **Reach out to your assigned counselor via email to be considered for nomination.** Please include any pertinent information/resume to be appropriately considered. Northview can nominate up to two (2) students for the Summer 2026 program. Please read more about the program below.

Program Information: Established in 1984 as an outreach program for local high school students, the Simons Summer Research program now attracts applicants from all across the country to the Stony Brook campus: Simons Fellows are matched with Stony Brook faculty mentors, join a research group or team, and assume responsibility for a project. The Simons Fellows conclude their apprenticeship by producing a written research abstract and a research poster. In addition to learning valuable techniques and experiencing life at a major research university, Simons Fellows attend weekly faculty research talks and participate in special workshops, tours and events. At the closing poster symposium, students are presented with a stipend award.

The Simons Summer Research Program is supported by the Simons Foundation.

***Students apply while they are currently in their junior year of high school (11th grade)- and participate in the program in the summer before senior year.**

Eligibility: Students interested in science who have demonstrated independence, creativity and an aptitude for doing hands-on work are especially encouraged to apply. Applicants must currently be in their **junior year (11th grade) of high school at the time of applying**; must be US citizens and/or permanent residents; and must be at least 16 years of age by the start of the program (no exceptions). **Dates of Program:** June 29 - August 7, 2026
