Dear Parent/Guardian,

We are excited to invite your student to join the MGMS National History Day Club! This year's National History Day (NHD) contest theme is **"Revolution, Reaction, Reform in History."** Students will explore questions like:

- What events or ideas trigger revolution, reaction or reform?
- How do societies respond to change, and how do those responses lead to further change?
- What is the difference (or connection) between revolution, reaction and reform in historical context?

Through research and project creation, students will delve into these critical topics and develop historical thinking skills. The culmination of our club's efforts will be presenting projects at the History Fair Day at Colorado Mesa University (CMU) in the Spring of 2025 (Date TBD).
