**What is DnD?**

**:** Dungeons & Dragons (DnD) is a fun tabletop role-playing game where players create characters, go on adventures, and solve problems together. It is story telling from multiple narratives and perspectives. The game is played with dice, where the outcome of actions is determined by the roll of the dice. It's a great way to use your imagination, problem-solving skills, and have fun with friends.

**No Transportation:** Students are responsible for arranging their own transportation home after the club meeting ends. **There will be no way to get them home after the meeting.**

**REC students only:** We will end before REC ends so if they are a part of REC they will have access to the REC bus.
