THE FOXHOLE FLYER

ASSISTANT PRINCIPAL MESSAGE

Hello VOL Families!

What a fantastic week we've had! Our National Honor Society and National Junior Honor Society Induction Ceremony was wonderful. A huge thank you goes to Mrs. Horn, the club sponsor, and Haley Belland, club president, for their planning and hard work. New inductees were surrounded by their family and fellow club members were on hand to celebrate this wonderful occasion. Additionally, Mrs. Beasley and Mrs. Hamlin were on hand to congratulate our new inductees. During the ceremony, these students pledged to uphold scholarship, service, leadership, and character, which represent the organizations foundational pillars.

Last week, students and staff celebrated Red Ribbon Week during school dress up days. Please check out the photos below.

Thank you for reading. Have a great week!

Melissa Shaw

IMPORTANT REMINDERS

On Tuesday, November 11th, our school will be closed as students and staff will observe Veteran's Day.

The end of the first semester is rapidly approaching. Students only have five school weeks left until Winter Break. This means that students should be approximately 75-80% complete in their courses. Our goal is for all students to finish the first semester successfully.

Please review your pacing guides to schedule DBAs now before the end of the semester.

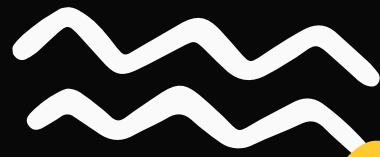

One of the benefits of attending a virtual school is that students have the ability to complete their assignments in the evenings, on the weekend, and even during school breaks. Students can watch their online lessons and submit their assignments even if teachers are not immediately available.

UPCOMING EVENTS

- **REMINDER:** No School **November 11th** in observance of 🇺🇸 Veteran's Day.
- Embark on a thrilling expedition from the comfort of your home! The History Explorers Club is charting a course for discovery on **Tuesday, November 18th**, and all 6th - 12th grade students are invited to join our virtual voyage from **4 - 4:45 pm on Microsoft Teams**.
🔗 Meeting ID: 235 424 913 801 5
🔑 Passcode: Ck3bc2JH
- All are welcome to join our LEGO and Robotics Club! Come build, create, and explore with us on **November 18th**.
🧱 **LEGO Club: 4:00 PM – 5:00 PM**
🔧 **Robotics Club: 5:00 PM – 6:00 PM**
- 🦃🍷 **Thanksgiving Break: November 24–28.**
Enjoy this time with friends and family. Eat well, laugh lots, and make great memories! 🍂

NEW TEACHER SPOTLIGHT!

Trenton Butler

This year, Mr. Butler is teaching Algebra 1 and Algebra 1A. Before joining the team, he taught Algebra 1 and Pre-Algebra at Ormond Beach Middle School. He earned his degree from Daytona State College and is currently studying online through UCF. When he's not in the classroom, you can find him working hard at his horse farm, Victory Farms, in Bunnell—or serving in the Army Reserves. He and his girlfriend of five years share life with their "kid," a Belgian Malinois named Goose (yes, from Top Gun).
