Ms. Christy Boyte, Alternative Site Coordinator, reviewed the 2025-2026 Pupil Progression Plan with the Board. She stated Louisiana state law requires local education agencies to establish a comprehensive Pupil Progression Plan based on student performance on the Louisiana Educational Assessment Program (LEAP) with goals and objectives that are compatible with the Louisiana Competency-Based Education Program and which supplements the minimum standards approved by the State Board of Elementary and Secondary Education (BESE). The Pupil Progression plan addresses student placement and promotion and requires the student's mastery of grade-appropriate skills before he or she can be recommended for promotion. Ms. Boyte, Superintendent Brooks and board members discussed the different aspects of promotion and retention in the plan and how it pertains to Claiborne Parish.
