November 2025

Dear Katherine Thomas Elementary Families,

November and holidays are upon us! The first grading period ended in October and you should have received your student's report card on Friday.

We had an amazing end to October with our Halloween parties. We are off to a great start in November! We were able to send some students who demonstrated exceptional Bomber PRIDE on a PBIS bowling field trip. We had our students in K-4 attend the Veterans' assembly held last Friday to honor those who served our country. Our 2nd, 3rd, and 4th graders did an amazing job singing! Our Kindergarten and 1st grade students were fantastic attendees!

This month we are also celebrating Kindness Week (Nov. 10-14). Everyday students are encouraged to learn about and spread kindness by: giving compliments, expressing gratitude, being kind to the environment, pledging kindness to themselves and others, and carrying kindness with them wherever they go.

The students and staff continue learning and using our Bomber **PRIDE** expectations throughout the building:

- Prepared
- Respect
- Integrity
- Demonstrating Safety
- Excellence
- Bomber PRIDE expectations can also be used at home or in the community!

We also continue discussions about the Zones of Regulation to help identify and manage feelings and emotions. These can also be used at home!

- **Green:** ready to go
- **Red:** angry/upset
- **Yellow:** anxious/excited
- **Blue:** sad/tired

This month we have:

- **November 2nd:** Beginning of 2nd grading period
- **November 7th:** Report cards home
- **November 10th-14th:** Kindness Week
- **November 19th:** 2nd grade NNAT testing
- **November 26th-December 1st:** Thanksgiving Break

We look forward to seeing your child every day at school! Have a wonderful November!

Warm regards,
Mrs. Weiss
