This year's UIL Academic Team competed in 2 separate events this year. It's the first time that our 3 middle schools unified to host an invitational meet to prepare our 6th, 7th, and 8th graders for district. Proudly, Riverside has increased their number of wins over the last 5 years, and as a school placed 7th out of 11th; an improvement in ranking from years past. Our 8th graders competing in district placed 3rd out of 11 schools and brought home a team trophy, which is our 1st for the campus.

Below are the results for the 2019 District Meet held @ Los Fresnos United in January.

UIL 2019 District Meet Results
