SEAHAWK SPOTLIGHT

Congratulations, Justice & Logan Carson!

Recently, Justice and Logan Carson proudly represented our school at the Drone Competition held at North Bay Haven Charter Academy. Out of ten competing teams, ours had the smallest number of members—just two!

Justice and Logan represented themselves, our program, and our school with exceptional respect, teamwork, and sportsmanship. They participated in flight missions both individually, as a team, and in collaboration with other schools.

While we are still awaiting their certificates, here are the amazing results:

Teamwork Mission: 2nd Place (teamed with Bethlehem High School)

Pilot Skills Mission: 4th Place (Logan)

Autonomous Skills Mission: 1st Place (Justice)

All-Around: 🏆 1st Place (Logan & Justice)

If you have these students in class, thank you for allowing them extra practice time before the event. And if you see them around campus, be sure to offer your congratulations—they earned it! Oh, and by the way... CTE Coordinator, David Hughes says, "we definitely had the coolest shirts!"
