Strategic Goals

1. To increase and accelerate academic achievement in all content areas and literacy levels for all scholars, to include students in all special programs, in Clayton County Public Schools as evidenced by local, state, national and international assessment results.
2. To recruit, develop, and retain highly qualified and effective staff.
3. To create an equitable and safe environment that promotes active engagement, communication, accountability, and collaboration of all stakeholders to maximize student achievement.
4. To provide high quality, equitable support services delivered within budget to promote high performance in the Clayton County Public Schools.
5. To create and assess equity metrics that include dedicated resources, both fiscal and human capital, instructional programming, organizational structures, policies, etc.
6. To establish a creative district where scholars and the community have access to the arts and cultural experiences and resources that support collaborative and individual creative pursuits.
