- The terms request for qualification, request for proposal, RFQ, RFP, or solicitation means a solicitation of a formal, sealed response.
- The term agency, company, firm or bidder means the entity submitting a formal sealed proposal.
- The term District means the Francis Howell School District.
- The term Board of Education or Board means the governing body of the District.

A. General

1. Bidders shall make all investigations necessary to thoroughly inform themselves regarding the delivery of supplies and services as required by the solicitation. No plea of ignorance by the Bidder of conditions that exist or that may hereafter exist as a result of failure to make all necessary investigations will be accepted as the basis for varying from the requirements of the District or the compensation to the Bidder.

2. The terms and conditions of the Request for Proposal, the resulting contract(s), and activities based upon this Request for Proposal shall be construed in accordance with the laws of the State of Missouri.

3. Bidders are required to state exactly what they intend to furnish to the District via this solicitation and must indicate any variances to the terms, conditions, or required services of the solicitation.

4. Bidders are advised that the District, to the extent permitted by applicable law, endorses the participation and utilization of local contractors in its purchasing efforts. Accordingly, when legally permitted, bid proposals of equal price and quality will be awarded to Bidders residing within the geographic area when available. This policy does not prohibit Bidders who reside outside the area from participating in the purchasing process as long as these Bidders can offer services at competitive pricing.

5. All practices, materials, supplies, and equipment shall comply with OSHA, ADA, Department of Elementary and Secondary Education, and any pertinent Federal, State and/or local safety or environmental codes.

B. Clarifications

1. Where there appears to be variances or conflicts between the General Terms and Conditions and the Scope of Services or Specifications outlined in this bid solicitation, the Scope of Services or Specifications shall prevail.

2. If any Bidder contemplating submitting a Proposal under this solicitation is in doubt as to the true meaning of the requirements, the Bidder must submit a written request for clarification to the District's Purchasing Manager by the date and time designated in the Procurement Schedule via email at matthew.bollwerk@fhdschools.org.

3. The Purchasing Manager for the District will work with the authorized agent of the District to respond to all inquiries and will render an official interpretation of the question in writing. A copy of the clarification will be given to all vendors that are known to have requested the bid documents. The District shall not be responsible for verbal interpretations offered by employees of the District, and bidders are discouraged from contacting the District or its employees regarding clarifications and interpretations except as outlined above.

4. The District shall issue a written addendum if substantial changes, which impact the technical submission of proposals, are required. A copy of the addenda will be given to all vendors that are known to have requested bid documents. In the event of a conflict with the original RFP or contract documents and the addenda, the addenda shall govern the RFP and all other contract documents to the extent specified. Subsequent addenda shall govern over prior addenda only to the extent specified.

C. Pricing

1. Responses, prices, terms and conditions shall remain firm for a period of ninety days from the due date or until such time when the District selects the successful company.

2. If the Bidder is awarded a contract under this solicitation, the prices proposed by the Bidder shall remain fixed and firm during the term of the solicitation review and any subsequent contract; provided, however, that the Bidder may offer discounts from this fixed price to the District at any time during the contractual term.

3. Bidders will neither include Federal, State, nor applicable local excise or sales taxes in the bid prices, as the District is exempt from payment of such taxes. Exemption documentation will be provided where applicable upon request.

4. The Bidder, by affixing its signature to this Proposal, certifies that its Proposal is made without previous understanding, agreement, or connection either with any persons, firms, or corporations offering a bid proposal for the same services, or with the District. The Bidder also certifies their Proposal is in all respects fair, without inside control, collusion, fraud, or otherwise illegal action.

D. Bid Preparation and Submission

1. Competitive sealed proposals will be evaluated based upon criteria formulated around the most important features of the service, of which quality, references, and availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The

Proposal evaluation criteria should be viewed as standards, which measure how well a Bidder questions's approach meets the desired requirements and needs of the District.

2. Unless otherwise specified in this RFP, Proposals will be received by Francis Howell School District % Matthew Bollwerk, Purchasing Manager, 801 Corporate Centre Dr, O'Fallon, MO 63368 or electronically at matthew.bollwerk@fhdschools.org, at the date and time specified in the Procurement Schedule. All proposals must be received at the district administration office or electronically at matthew.bollwerk@fhdschools.org on or before the date and time specified in the Procurement Schedule. Neither dating of the proposal, nor placing it in the mail by this date and time will meet legal requirements. The Francis Howell School District reserves the right to reject any and/or all proposals received and to waive any and all informalities. Questions may only be directed to Matthew Bollwerk, Purchasing Manager, at 636-851-4092 or matthew.bollwerk@fhdschools.org.

3. If Bidder is hand delivering or mailing Proposals, it must be submitted in a sealed 8" x 10" or larger envelope. Please label the outside envelope or shipping box as follows or the bid may be rejected: Attn: Matthew Bollwerk, Purchasing Manager and include RFP number or proposal name. If Bidder will be submitting the proposal electronically, please submit to matthew.bollwerk@fhdschools.org.

4. Any proposal received after the opening date or time shall be refused and marked Late Proposal and returned to the bidder unopened. For this purpose, the official time for the proposal opening shall be based upon the time as indicated by the Purchasing Department. It is solely the responsibility of the Bidder to ensure Proposals are received prior to the opening date and time.

5. The Proposal must be typed or legibly printed in ink. Use of pencil or erasable ink is not permitted.

6. If the district administration office or designated office for RFP opening is closed for any reason, including but not limited to inclement weather, an emergency situation or any other act of nature, for which closure prevents the opening of RFPs at the originally advertised date and time, all RFPs received shall be publicly opened and read aloud on the next business day that the designated office shall be open for business at the previously advertised time. The new date and time of bid opening, as determined in accordance with this paragraph, shall not be advertised.

7. Bid Proposals must contain the signature of an authorized agent of the Bidder. If the Bidder's authorized agent fails to sign the proposal, it shall be considered a non-responsive offer and shall not be considered.

8. Proposals should be as thorough and detailed as possible so that the District may properly evaluate the Bidder's capabilities to provide the required products and services.

9. Unit prices shall be provided by the Bidder on their proposal. Where there is a discrepancy between the unit price and the extension of prices, the unit price shall prevail.

10. The Bidder must include all information and supplemental documentation required in conjunction with this proposal. If the Bidder fails to supply any required information or documents, its proposal shall be considered non-responsive and shall not be considered.

11. Information packages should not contain promotional or display materials unless specifically required in the Scope of Services or Specifications section. Informational packages must address the requirements as explained to aid evaluation. All questions posed by the RFP must be answered clearly and concisely.

12. This solicitation does not commit the District to pay any cost incurred by the Bidder or any other party in preparation and/or submission of proposals or in making necessary studies or designs for the preparation thereof, nor is the District obligated to procure or contract for such product or services.

13. The District reserves the right to waive any and all informalities in information packages if such waiver does not substantially change the offer or provide a competitive advantage to any Bidder.

14. All proposals and supporting documents will remain confidential until a final contract has been executed. All responses become the property of the District and will be part of the public record.

E. Conflicts of Interest

1. It shall be understood and agreed that Bid Proposals submitted are offered independently of any other proposals.

2. In the event that an independent contractor or firm in conjunction with the District developed this RFP, neither the contractor, nor its principals or subsidiaries, shall be allowed to submit a proposal for this solicitation.

3. In the event that this proposal request requires consulting services which may ultimately lead to the purchase of other products or services in the future, neither the selected consultant, nor its principals or subsidiaries, will be allowed to participate in the acquisition of these specific goods and services in the future.

4. Bidders are prohibited from assigning, transferring, conveying, subletting, or otherwise disposing of this proposal or any resultant agreement or its rights, title, or interest therein or its power to execute such agreement to any other person, company or corporation without the previous written approval of the District.

5. The successful bidder shall not have conflicts of interest as to revenues derived from the results of tests or recommendations made on behalf of the company. No salaried officer or employee of the District and no member of the Board of Education shall have a financial interest, direct or indirect, in this contract. A violation of this provision renders the contract void. The bidder further covenants that in the performance of this contract no person having such interest shall be employed to work on this project.

F. Modifications or Withdrawals of Bid Proposal

1. Proposals may only be modified in the form of a written notice on company letterhead and must be received prior to the time and date set for the bid opening. Each modification submitted to the District's Purchasing Department must have the Bidder's name and return address and the applicable proposal number and title of the bid clearly marked on the face of the envelope. If more than one modification is submitted, the modification bearing the latest date of receipt by the District's Purchasing Department will be considered the valid modification. All requests for bid modifications must be signed by a duly authorized agent of the submitting company. Telephone or email modifications or withdrawals will not be accepted. No changes shall be allowed after the Proposal is publicly opened. The Francis Howell School District shall not be responsible for any errors or omissions.

2. Bids may be withdrawn prior to the time and date set for the bid opening. Such requests must be made in writing on company letterhead and signed by a duly authorized agent of the submitting company. If a Bidder modifies or withdraws a Proposal, all documents shall remain the property of the District.

G. Evaluation of Bid Proposal

1. Each validly submitted proposal will be evaluated by a selection of District employees. Proposals will be evaluated based upon the criteria outlined in the RFP.

2. The fee proposals will be evaluated by the Purchasing Manager and key stakeholders.

3. The District reserves the right to reject any and/or all bid proposals or parts thereof, to waive informalities, irregularities, or technicality in the information packages, and to enter into such contract or contracts as shall be deemed in the best interests of the District.

4. The District reserves the right to reject proposals or parts thereof for the following reasons:

a. The Bidder misstates or conceals any material fact in their proposal.

b. The Bidder's proposal does not strictly conform to the law or requirements of the RFP. c. The Bidder's proposal does not include documents including, but not limited to, certificates, licenses, information or specification sheets, bonds, and/or samples, which are required for submission with the bid proposal in conjunction with the General Terms and Conditions or Scope of Services/Specifications.

d. The bid has not been properly executed by signature of an authorized representative of the Bidder.

5. A proposal may not be accepted from, nor any contract be awarded to, any person or firm which is in arrears to the District upon any debt or contract or which is a defaulter as surety or otherwise upon any obligation to the District.

6. A proposal may not be accepted from, nor any contract awarded to, any person or firm, which has failed to perform faithfully on any previous contract with the District, local, state, or federal governmental agency for a minimum period of one (1) year after the previous contract was terminated for cause.
7. A proposal may be rejected if the Bidder is currently under suspension or debarment by any local, state, or federal government, and if the Bidder cannot so certify, then it shall submit along with the proposal a written explanation of why it cannot make such a certification.
9. The award will be made to the Bidder that best meets the needs of the District based upon the evaluation criteria. Proposal award will not be made on the basis of price alone; additional criteria such as Bidder experience and references will also be considered. The District shall be the sole judge of these factors.
10. The District reserves the right to:
 - a. Accept or reject any and all bid proposals submitted by bidders.
 - b. Re-advertise this solicitation.
 - c. Postpone or cancel the bid process for this solicitation.
 - d. Determine the criteria and process whereby proposals are evaluated and awarded.
 - e. Award the solicitation to more than one bidder

H. Selection Process

1. The criteria noted above will be used to assist in selecting the successful contractor.
2. Preliminary evaluations will be performed by District personnel to determine if all of the mandatory requirements have been addressed. Bidders must be able to demonstrate their ability to perform the required services and provide the necessary supplies by completing the Proposal Response (Section V). Failure to satisfactorily comply with these requirements may result in the proposal being rejected.
3. The District may, at its option, conduct interviews after receipt of the responses. The District reserves the right to negotiate in an attempt to clarify and qualify terms of any response and reserves the right to negotiate final contract terms with any company, regardless of whether such company was interviewed. The District may accept any response as submitted, whether or not negotiations have been conducted between the parties. Neither the commencement or cessation of negotiations shall constitute rejection of the response or a counteroffer on the part of the District.
4. The bidder shall not, under penalty of law and immediate disqualification of the proposal, offer or give any gratuities, favors or anything of monetary value to an officer, employee, agent, or Board of Education member of the District for the purpose of influencing favorable disposition toward a submitted proposal or for any reason while a proposal is pending or during the evaluation process.

I. Award of Contract

1. It is the intent of the Francis Howell School District (FHSD) to enter into a contract/agreement for services based on the outcome of this RFP. The contract/agreement shall be for a period set forth in the scope of the RFP. Please see the attached example contract for reference. Bidder's contract/agreement can also be used as long as all conditions can be agreed to by FHSD.
2. The District intends to award a contract once all proposals have been reviewed and evaluated. The District retains its sole right to select a successful Bidder(s) it deems is in its own best interest.
3. All RFPs and related documents submitted to the District by Bidders are governed under the laws of the State of Missouri.
4. The General Terms and Conditions, the Scope of Services/Specifications, the Bidder's proposal, written letters, addenda, and the Purchase Order are collectively an integral part of the contract between the District and the successful Bidder. The successful Bidder will be asked to enter into a contract with the District after the Board of Education's selection of their proposal. The Board of Education must then formally approve the written contract, which will conclude this process.
5. The District shall select the Bidder which, in its opinion, has made the best proposal, (not necessarily the lowest cost provider) and shall award the contract to that Bidder, which is deemed in the best interest of the District.
6. Indemnification: The successful Bidder shall assume the entire responsibility and liability to indemnify the Francis Howell School District, its elected and appointed officials, employees, volunteers, and others working on behalf of the District. To the fullest extent permitted by law, the successful Bidder agrees to defend, pay on behalf of, indemnify, and hold harmless the District against any and all claims, demands, suits, damages or losses, together with any and all outlay and expense connected therewith, including but not limited to attorney's fees and court costs, that may be asserted or claimed against, recovered from or suffered by the District by reason of injury or loss, including but not limited to, personal injury, including bodily injury or death, property damage, including loss of use thereof, and economic damages arising out of or in any way connected or associated with any work and/or activities performed by the successful Bidder pursuant to the provisions of this Agreement. The successful Bidder obligation to indemnify the District contained in this Agreement is not limited by the amount or type of damages, compensation or benefits payable under any worker's compensation acts, disability benefit acts, or other employee benefit acts.
