Academic Strategy:

MTSS (multi-tiered system of support) that includes team collaboration with strong focus on Tier 1 instruction through continuous improvement and data based decision making as well as multi-layered practices that include intervention.

School Climate Strategy:

SEL Curriculum using Wayfinder that supports student to student relationships.

Our mission is to build strong connections to a trusting and supportive community; high expectations for instruction and learning; nurturing and positive relationships; and for our students to make connections with real world learning.
