EARLY CHILDHOOD PROGRAMS

Baby Rhyme Time - *Designed for Birth-18 months old & caregivers*

Bond with your little one and meet other parents and caregivers while doing so! We will explore the fun of rhythm and rhymes, bounces, and books to support early learning. Best for pre-walkers and crawlers but all are welcome!

Wiggles and Giggles: Toddler Time - *Designed for Ages 2-3 years & caregivers*

We will wiggle and giggle together as we share age- and developmentally- appropriate interactive stories, songs, movement activities, and fingerplays.

Let's Move!: Preschool Pals - *Designed for Ages 4-5 years & caregivers*

Preschoolers, get moving with action songs, rhymes and interactive stories that expand the imagination, inspire self-discovery, and develop early literacy skills.

Music and Movement - *Designed for Ages 1-5 years & caregivers*

Come to the library to sing, move, dance, and make music together in this music-based program! Music & Movement is designed for children ages
1 to 4 years old and focuses on developing gross motor skills.

Preschool Irish Dance - *Designed for Ages 4-5 years & caregivers*

A creative dance class for preschoolers inspired by traditional Irish dance, music, rhythm and storytelling. Led by certified Irish dance instructor(s).

Storytime with PAAR - *Designed for Birth-5 years old & caregivers*

Join educator Gail Brown from PAAR for a Storytime that uses books and songs to introduce the idea of personal space and boundaries.

Toddler Dance Party - *Designed for Ages 2-3 years & caregivers*

Join us as we have fun using props to groove to the beat with our whole body! Toddlers will develop body and spatial awareness that supports early literacy.

SCHOOL AGE PROGRAMS

★ **Fandom Art: *Designed for K-5th Graders***

Stop at the library to design art including your favorite characters with us! This month we will be painting winter Squishmallows.

★ **Kids' Karaoke - *Designed for 3rd-5th Graders***

With mic in hand, sing along to your favorite song as it comes up on our karaoke machine at the library!

★ **KidzStix Cardio Drumming - *Designed for K-5th Graders***

Get moving at this high energy drumming and dance program led by certified fitness instructor Coleen Bortz!

★ **Maker Lab - *Designed for K-5th Graders***

Calling all Junior Makers ages 6 to 11! We will learn how to use machines and equipment to create something completely new!

★ **Slime Science - *Designed for K-5th Graders***

Perfect your slime skills in Slime Science lab! Experiment with mixing specific ingredients to make slimes with unique properties and learn why it happens! This month we will make a butter slime.

ALL AGES PROGRAMS

★ **Fall into Art**

Fall colors are all around us! Make some colorful art perfect for all ages. We will be making foil printed trees and suncatchers.

Pittsburgh Science Workshop Pop-up

Come join Pittsburgh Science Workshop at the library for joyful hands-on projects that explore all branches of science! This is a drop-in program fit for all ages.

★ **Process Art**

Explore, experiment, and create freely! In this open-ended art session, the focus is on the fun of the process, not the final product!

Scavenger Hunt

Join us every month for a library Scavenger Hunt, and earn that month's special prize! Scavenger hunts promote information literacy and teamwork in a fun-filled way.
