EARLY CHILDHOOD PROGRAMS

Baby Rhyme Time - *Designed for Birth-18 months old & caregivers*

Bond with your little one and meet other parents and caregivers while doing so! We will explore the fun of rhythm and rhymes, bounces, and books to support early learning. Best for pre-walkers and crawlers but all are welcome!

Wiggles and Giggles: Toddler Time - *Designed for Ages 2-3 years & caregivers*

We will wiggle and giggle together as we share age- and developmentally- appropriate interactive stories, songs, movement activities, and fingerplays.

Let's Move!: Preschool Pals - *Designed for Ages 4-5 years & caregivers*

Preschoolers, get moving with action songs, rhymes and interactive stories that expand the imagination, inspire self-discovery, and develop early literacy skills.

Music and Movement - *Designed for Ages 1-5 years & caregivers*

Come to the library to sing, move, dance, and make music together in this music-based program! Music & Movement is designed for children ages
1 to 4 years old and focuses on developing gross motor skills.

Toddler Dance Party - *Designed for Ages 2-3 years & caregivers*

Join us as we have fun using props to groove to the beat with our whole body! Toddlers will develop body and spatial awareness that supports early literacy.

NOON YEARS EVE!
SATURDAY, DEC. 27TH
11:30AM-12:00PM

Please register to attend. Programs for all ages. Mocktails, music and dancing to follow the Noon balloon drop in our lobby!

SCHOOL AGE PROGRAMS

★ **Food Scientists**

Children ages 6-11, join us for engaging, visual experiments around the foods we love as we learn about the research of food scientists.

Kids' Karaoke - *Designed for 3rd-5th Graders*

With mic in hand, sing along to your favorite song as it comes up on our karaoke machine at the library!

★ **KidzStix Cardio Drumming** - *Designed for K-5th Graders*

Get moving at this high energy drumming and dance program led by certified fitness instructor Coleen Bortz!

★ **Maker Lab** - *Designed for K-5th Graders*

Calling all Junior Makers ages 6 to 11! We will learn how to use machines and equipment to create something completely new!

★ **STEAM Lab**

Children ages 6 to 11, work with your hands and experiment with STEAM projects!

ALL AGES PROGRAMS

★ **New Years Eve Bingo**

Celebrate at the library as you shout "BINGO!" to win prizes!

Pittsburgh Science Workshop Pop-up

Come join Pittsburgh Science Workshop at the library for joyful hands-on projects that explore all branches of science! This is a drop-in program fit for all ages.

★ **Process Art**

Children of all ages, explore, experiment, and create freely! Focus on the fun of the art process rather than the final product.

★ **Winter Wonders**

Art and science meet as we explore seasonal phenomena and create art projects around them. From winter tree bark to icy art, let's create!

Scavenger Hunt

Join us every month for a library Scavenger Hunt, and earn that month's special prize! Scavenger hunts promote information literacy and teamwork in a fun-filled way.
