Re: Commuter Benefits Available to San Mateo-Foster City School District Employees

In compliance with Senate Bill 1339, which was signed into law in 2012, the San Mateo-Foster City School District offers Commuter Benefits to all interested employees.

The District allows employees to claim commuter expenses, to and from work, through our Section 132(f) plan on a pre-tax basis.

As of January 1, 2026, employees may contribute more pre-tax money to qualified transportation benefit programs. The allowable monthly pre-tax limits under Section 132(f) are as follows:

- Mass Transit (i.e. BART, Muni bus and rail, Caltrain, AC Transit, etc.) – Maximum \$340.00 per month
- Parking – Maximum \$340 per month

The District has contracted with My Commuter Check to provide you the tax-free commuter benefits program, <https://login.edenredbenefits.com>. The amount you order will be deducted from your current pay check as a pre-tax expense. In addition, there is a \$5 handling fee per month only for the month that you participate in the program. The \$5 is not a pre-tax expense

If you have further questions about how to enroll in this program, please contact the District's Payroll Office.

Sincerely,
