Career & Technical Education

The Cosmetology program is only offered at the Cecil County School of Technology (CCST). Students from the five county high schools have the opportunity to begin the program during their junior year by a designated application process. They will complete the program during their senior year.

This course is a two year program which requires 1500 hours of instruction; 1000 of which must be earned by the end of the junior year. All students are required to participate in a minimum of 150 hours of work-based learning experience during the summer before their senior year.

Students are encouraged to develop positive work attitudes while building individual skills for success. Transportation is provided from the home school to and from CCST. Program fees include the cost of trade appropriate clothing, tools, and license/certification tests.

Cosmetology

This program will cover the following:

- Human Anatomy
- Mathematics pertaining to Cosmetology
- Analysis & Histology of Hair, Skin & Nails
- Chemistry
- Fundamentals of Electricity
- Product Knowledge
- Customer Relations
- Employability Skills
- Hygiene
- Safety & Infection Control
- Basic Hair, Skin, and Nail Services

Cosmetology

Students develop and practice basic skills in hair, skin, and nail care, develop a broad understanding of the variety of career options available to a licensed cosmetologist, and learn how science and math are fundamental aspects of the practice of cosmetology. This course also provides the opportunity to further refine and apply skills that support all aspects of the cosmetology industry and assists in preparing students to obtain employment in the field of cosmetology. Classroom and practical training emphasize academic, technical, and workplace skills.

PRE: Algebra I
REC: Foundations of Art
Fees are approximately $900 for materials, $50 for uniforms (purchased on their own), and $80 for exams.
