

CANTERBURY SCHOOL STRATEGIC PLAN

2025–2030

Canterbury School is dedicated to academic excellence within a caring and supportive community emphasizing character, leadership, and service.

MISSION

Building on the foundation established by our 2020–2025 strategic plan, we now embrace purposeful expansion, innovation, and a continued commitment to excellence. This plan reflects the voices of our entire community. Insights came from more than 200 members through a survey and 13 meetings. A Board of Trustees committee provided oversight, and a Planning Committee of faculty, staff, trustees, and parents shaped the plan. Students and parents also contributed, ensuring a shared vision for Canterbury’s future.
