

Document 00300: Information Available to Bidders

The following information is presented to Bidders either bound within the Project Manual or as a part of the drawings:

1. School District Calendar

- A. The School Board of Broward County, Florida provides a variety of calendars for both schools and the District. This includes: School Year Calendar, Public Meeting and Events, Year Round Calendar, Summer Term Calendar, testing Calendar and Request Forms. These calendars, in addition to more scheduling information, are available for the Bidder's information and use in determining subsequent construction schedules and their relation to the Owner's schedule of school operations, holidays, etc. at the following location:

2. As-Built Drawings and Specifications

- A. Various "as-built" drawings and specifications from the construction of the original facility or subsequent projects on the project site may be available at the Office of Facilities & Construction.
- B. The "as-built" drawings and specifications may be reasonably relied on by Bidders but do not represent a warrant or guarantee of existing conditions by either the Owner or the Project Consultant. **Document 00200, Instructions to Bidders** requires all Prospective Bidders to visit the project site, acquaint themselves with existing site and facility conditions, and draw their own conclusions from those existing conditions.
