.....
The Bowling Green City Schools Board of Education is responsible for setting policy to govern effectively the district and ensure students are receiving excellence in education. It is also responsible for the hiring of faculty and staff and overseeing the financial health of the district. The Board provides vision, structure, accountability, and makes decisions in the best interests of students. It also works with the Superintendent to develop short and long-term goals to position the district as one of the best in the State of Ohio. Finally, the Board advocates for strong partnerships with the community, university, and families with the goal of preparing students to live successfully in a diverse and global society.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda item. [In accordance with Board Policy 0165.1- Regular Meetings]

XIV. Executive Session

Approve an executive session in order to consider one or more of the following matters:

1. The appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee or regulated individual requests a public hearing.
2. The purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure or information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest.
3. Conference with an attorney for the public body concerning disputes involving the public body that are the subject of pending or imminent court action.
4. Preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment.
5. Matters required to be kept confidential by federal law or regulations, or state statutes.
6. Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office.
