Dear Parent/Carer,

Opportunity to Gain a GCSE Qualification in an Additional Language

We recognise that many of our students speak another language at home or within their community. This highly valuable skill could be recognised formally through a GCSE qualification.

If your child speaks a language other than English and would like the opportunity to gain a GCSE in that language, we may be able to arrange for them to sit the examination at Southam College.

Please note:

- Southam College would not provide teaching or academic support for the subject.
- We would simply facilitate the examination entry and provide guidance on the process.

To express an interest in the process, please complete a short Microsoft Form by 30th November using the link below.

<https://forms.office.com/e/kXsb03qQq7>

Your response will help us to gauge interest and determine which languages we may be able to offer for examination entry.

Thank you for your support in recognising and celebrating the linguistic diversity within our school community.

Yours sincerely,

Mrs L Johnson
Head of MFL
