

November 12, 2025

Dear Parents,

The Annual Winter Chorus Concert is on Monday, December 15, 2025

The performance will start approximately at 6:30 pm at the Westport Middle/High School. Doors will open at 6:00pm for our parents and guests of our 7th and 8th grade chorus students. We ask that 5th and 6th grade parents and guests please arrive after their performance at 7:00 pm.

- Chorus members in 7th and 8th grade: Be there at 5:45 pm; Concert is at 6:30 pm
- Chorus members in 5th and 6th grade: Be there at 7:00 pm; concert is at 7:30 pm.
- Admission for adults: \$3.00
- Admission for kids and seniors: \$2.00

Please have your child dress in concert attire, which is as follows:

Boys: white button down shirt, black dress pants, and black shoes. No shirts with logos, or jeans.

Girls: white shirt, black skirt/ pants and black shoes. Please wear black tights if choosing to wear a skirt. No high heels, shirts with logos, or jeans.

Please email Ms. Carvalho if your family is facing financial hardships and cannot locate these items during this time.
We will do whatever we can to help in this matter.

Concerts are mandatory and are worth thirty-five points of the final term grade. Students should know that skipping this concert, arriving in something other than concert attire, not singing on stage, or acting inappropriately on stage (i.e. gum chewing or on electronic device) will subtract thirty-five points from their grade, no exceptions.

Also, I understand that there are students who are involved with other activities and have no problem keeping communication with the families regarding schedule conflicts. I have had many students come late or leave early for their concerts in the past if they have rehearsal, practice, or a prior engagement. Please send me an email or note ahead of time if your child is not able to attend the concert. This will give them an excused absence in my book, and will give them the option of completing a written assignment or test in place of their concert grade.

Please email the Westport Music Boosters at info.westportmusicboosters@gmail.com if you would like to donate any refreshments or pre-packaged snacks for our concession.

Thank you for your time and consideration.

Sincerely,

Ms. Carvalho
