Creating Your Account

If you are a family with at least one currently enrolled student, you can access the financial aid application through your Blackbaud myTSCS account, where you completed the re-enrollment forms for your child. To do so, log in, visit the Resources page, and click the “Financial Aid Portal” tile. You will use the same email address and password that is used for your myTSCS account.

If the above is not true for you, please visit <https://studentfinancialaid.blackbaud.school> and create your account by entering your primary email address as your username. Blackbaud Financial Aid Management will use this email address to contact you in the event that your application is “on hold” for missing documentation. Once you create your username and password, you will receive a verification email. Once you click the verification link to verify that you are the account holder, you will be able to log in using the username and password you created. Please be advised that if you do not click the verification link that is sent to your email address, you will not be able to log in or reset your password.

Submitting Documentation

Documentation should be submitted at the time the application is completed. Application IDs must be included on all documents. Failure to include your ID will delay processing of your application. Please be advised that each document must be uploaded separately under the appropriate document type in order for your application to automatically move into the review status.

Direct Upload: <https://studentfinancialaid.blackbaud.school> (login with your username and password)

Application Rollover

If you created a Blackbaud Financial Aid Management account to apply for financial aid in a prior year, your application will roll over into the next school year. Your username and password will remain the same, as well as your application ID number (with the exception of the first two digits as that indicate the school year). The Parent/Guardian and Dependents section of the application will be auto-filled for you, you will simply need to confirm the information before advancing to the next sections of the application. If any information from the Parent/Guardian and Dependent section should be updated, please make the necessary changes.

Upon completion of your application and full submission of all required documentation, please note you will receive an email notification from BFAM that your application has been verified.

Once verified, a financial aid recommendation will be forwarded to Saint Constantine School.
