Dear Mohawk Families,

Beginning December 2nd you will now have the option to report attendance digitally using the Visitu mobile app.

1. Please download the appropriate app.
2. Sign In: You must use the exact email address or phone number that is registered in powerschool, this is where Visitu pulls data from.
3. Verification: A one-time passcode will be immediately sent to that email address. You then input this code to complete the sign-in.

- If you know your child will not be at school you can send this in the morning of or in advance.
- Traditional paperwork is still required upon return to school to avoid unexcused absences/tardies.
- You may still call in if you prefer this is just another option we are providing families.

Mobile Attendance Guide For Parents

Getting Started

Managing your student's attendance is simple with the **Visitu Mobile App**! From the app, you can submit absence requests or tardies directly from your phone. The **Visitu Mobile App** is available for download from your respected app store.

- Log in to the **Visitu Mobile App**
- Click on the **Students** icon on the bottom menu
- Select the **student**
- Click **Attendance** and select the appropriate **attendance option**
- Complete the required information and click **Submit Attendance**

Early Release requests must be scheduled at least 60 minutes prior to intended pick-up time.
