NOTRE DAME HIGH SCHOOL

Law Pathway

Notre Dame High School's Law Pathway offers students an engaging introduction to the legal system, civic responsibility, and the art of argumentation. Designed for students interested in careers in law, government, or public service, this pathway emphasizes critical thinking, public speaking, and ethical reasoning. Through courses focused on introduction to legal principles and constitutional law—along with experiential learning in Mock Trial—students develop the foundational skills needed for success in college and future law-related professions.
