Eureka High School

November 14, 2025

Dear Parents and Guardians,

We would like to inform you about an important update regarding your students, 26-27 class selection. This year, the course selection process has been moved up earlier in the school year and will start this month. Students will complete their class selection forms in their English classes with the guidance of

their school counselors. Paper registration forms will not be mailed home as they had been in previous school years.

Please take a look at our new academic planning guide and course catalog to help you and your student. You can also find descriptions of specific courses.

Go to our website at <https://ehs.eurekacityschools.org/counseling>. Click on counseling and choose the course catalog from the menu.

In December, you will receive a copy of your student's class request selections and their transcript by mail. After reviewing these materials, parents and guardians will have the opportunity to request changes to the class selections their student made if needed.

We appreciate your cooperation and support as we implement this updated registration process.

If you have any questions, please contact Nancy Rodgers at 707-441-2591 or

rodgersn@eurekacityschools.org

Sincerely,
Rob Standish
Principal
