November 12, 2025

Dear CCSD Parents, Guardians, Families & School Community,

As we wrap up the first quarter and move into the second quarter of our 2025–2026 school year, I want to take a moment to thank you for your continued support of our students and staff. It's been an exciting and productive fall for our schools, filled with learning, growth, and construction projects!

CCSD is dedicated to building strong academic foundations and supporting each and every one of our students. Our teachers have been implementing innovative instructional strategies, integrating social-emotional learning, and ensuring our students are both challenged and supported.

Beyond the classroom, it has been a busy season for our student-athletes. CCSD celebrated a strong cross-country season across the District K-12, and our swim team is wrapping up another great year in the pool. CHS volleyball, wrestling, and drumline, as well as middle school basketball, are all well underway, and it has been great to see so many students participating and representing our schools with pride.

October's Prince of Wales Island-wide Inservice, hosted by CCSD at CHS for the first time in over two (2) decades, brought educators together from across POW for a day of professional learning and collaboration. Certified and classified staff engaged in valuable training opportunities and shared ideas to strengthen instruction and student support across all grade levels.

Progress continues steadily on CCSD's CEMS Rehabilitation Project. I hope you have enjoyed the regular "Construction Diaries" updates! To recap, the CES portion of the project is substantially complete, and at CMS, the next steps include interior wall and mezzanine framing, followed by roofing, plumbing, and finish work. Project highlights and photos are shared roughly every two (2) weeks or so. Please visit CCSD's website and/or Facebook page to stay up-to-date. As a reminder, please continue to use caution around active construction zones when on our CEMS campus.

As we move into the winter months, we look forward to upcoming concerts, winter activities, and continued student achievements. Thank you to everyone for being an important part of our school community and for all you do to support student learning at CCSD.

Warm regards,

Jackie Hanson
Superintendent, Craig City School District
