Common Questions

How much does it cost to attend INSIGHT?

The only cost is a $75 registration fee (possible financial aid available).

How long is INSIGHT?

INSIGHT is eight (8) days (Saturday to Saturday).

Will I have a roommate?

Yes, most generally, students share a room with another student.

Will there be homework?

There will be required homework assignments (assigned by instructors and INSIGHT staff).

Will I have the opportunity to do other things beside just attending class?

Yes, students will participate in several organized recreational activities, which may include: Goalball, volleyball, yard games, and cooking. Students will also have free time in the evening to socialize in the dorm's common space.

How long do I have to attend to be eligible for the scholarship?

Students must attend for two (2) years to qualify for the scholarship. The years of attendance do not need to be consecutive. Whenever possible we encourage students to participate for three (3) years.

What if I have trouble getting to and from Morehead for INSIGHT?

If transportation is an issue, please contact Kyle Sochia and/or Michele Brown when you submit your application.

Post-Secondary Preparation Program

INSIGHT Post-Secondary Preparation Program

INSIGHT is the longest-running program in the Commonwealth of Kentucky dedicated to promoting college and career readiness for students who are blind or visually impaired. The program is open to students who have completed grades 10-12 and are interested in attending a post-secondary institution after graduating from high school.

INSIGHT takes place on the beautiful campus of Morehead State University in Morehead, KY. The students stay in a Morehead State dorm, eat meals in a campus dining hall, and attend a mix of college-preparation and college-level classes.

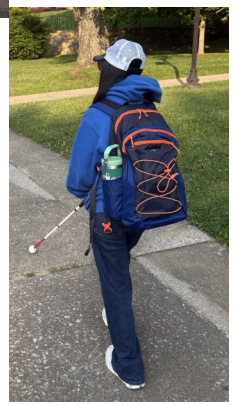

INSIGHT was designed to provide students who are blind or visually impaired the experience of what it is like to attend college.

In addition to the college classes offered, students will attend specially designed classes called INSIGHT I and INSIGHT II, taught by vision and transition experts, to receive skill-based instruction in the following areas:

- Choosing a College
- Applying for Scholarships
- Working With a Campus Disability Services Coordinator
- Developing a Vision Portfolio
- Note-Taking
- Technology
- Time Management

Each student will receive Orientation and Mobility from a supervised O&M Intern.

Applications will be available January 1st at:
